2017-2019	AANA Member Representative, American Academy of Orthopaedic Surgeons Board of Specialty Societies (BOS)

2017-2019	Past Chair, Development Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2017-2018	Member, Continuing Medical Education Committee, Medical Society of the State of New York
2017-2018	BOS Nominating Committee, American Academy of Orthopaedic Surgeons
2017-2018	AAOS Liaison, ADOPT Guidance Development of Adapted Model Infection Control Guides Project, Department of Health Services Research; Division of Healthcare Quality Evaluation, The Joint Commission.
2016-2017	Secretary, Eastern Orthopaedic Association
2016-Present	OREF Annual Fund/Giving Committee
2015-2017	Member, Industry Sub Committee Endowment Fund, American Shoulder and Elbow Surgeons
2015-2016	Member, Industry Committee, American Shoulder and Elbow Surgeons
2016-2019	AANA Representative, Board of Specialty Societies (BOS) Education Committee
2016	Co-Chair, American Shoulder Elbow Surgeons/Arthroscopy Association of North America Biennial Meeting
2015-2019	Past Chair, Development Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2015-2019	Member, Shoulder Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2015-2017	Member, Program Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2015-2019	Program Committee, Eastern Orthopaedic Association
2015-2019	Member at Large, Education Committee, American Orthopaedic Society for Sports Medicine
2015	Symposium Chair, American Shoulder and Elbow Surgeons 2015 Closed Meeting
2015-2017	Member, Council on Education Committee, Arthroscopy Association of North America
2015-2017	Chairman, Orthopaedic Learning Center Committee, Arthroscopy Association of North America

2014-2018	Conference and Lab Chair, Orthopaedic Summit: Evolving Techniques
2014-Present	Founder, Orthopaedic Summit: Evolving Techniques
2014-2020	Member at Large, Council of Delegates, American Orthopaedic Society for Sports Medicine
2014-2016	Chair, Telecommunications Committee, Eastern Orthopaedic Association
2014-2017	Sports Medicine Representative, CME Course Committee, American Academy of Orthopaedic Surgeons
2014	American Society for Surgery of the Hand (ASSH) Liaison, American Shoulder and Elbow Surgeons
2013-2017	Co-Chair, Development Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2013-2015	Program Co-Chair, 2015 Combined Specialty Day, American Shoulder and Elbow Surgeons (AANA, AOSSM and ASES)
2013-2015	Member, Upper Extremity Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2013-2014	Technical Exhibit Chair, Board of Directors, Eastern Orthopaedic Association
2011-2015	Past Chair, Education Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2013-Present	Connecticut State Representative, Eastern Orthopaedic Association
2013-Present	New York City State Representative, Eastern Orthopaedic Association
2013-Present	New York State Captain, Orthopaedic Research and Education Foundation Volunteer Program
2013-2016	By-Laws Committee, Eastern Orthopaedic Association
2013	Course Chair, Arthroscopy Association of North America 2013 Shoulder Arthroscopy Master Course
2013	Vice-Chair, Shoulder Program, Arthroscopy Association of North America 2013 Fall Course
2012-2014	Member, MOC Examination Development Task Force, Arthroscopy Association of North America
2012-2014	Member, Education Committee, Arthroscopy Association of North America

2012-2019	Member, Northeast Regional Program Committee, Arthritis Foundation
2012-2013	Chair, Membership Committee, Board of Directors, Eastern Orthopaedic Association
2012-2013	Member, Nominating Committee, Eastern Orthopaedic Association
2012	Shoulder Lab Chair, Arthroscopy Association of North America, Fall Course
2012	Chair, Injury Prevention Seminar, University of Connecticut
2011-2015	Member, AANA Live Committee, Arthroscopy Association of North America
2011-2013	Conference and Lab Chair, Emerging Techniques in Orthopaedics
2011-2013	Member, Development Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2011	Symposium Chair, Treatment of Arthritis in the Athletic Shoulder. 8 th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2011	Co-Chair, Spotlight on Top Orthopedic Procedures in Sports Medicine Pre- Course. 8 th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2011	Symposium Chair, Posterior Shoulder Pain: Diagnosis to Arthroscopic Management. 8 th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2010-2012	Member, Education Committee, Arthroscopy Association of North America
2010-2012	Member, Education Committee, American Shoulder and Elbow Surgeons
2010-2014	Chair, Multimedia Education Center Committee, American Academy of Orthopaedic Surgeons
2009-2013	Sports Medicine Representative, Program Committee, American Academy of Orthopaedic Surgeons
2009-2011	Member, Program Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2009-2011	Deputy Chair, Upper Extremity Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2009-2011	Chair, Education Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2009-2011	Member, Development Committee, Arthroscopy Association of North America

2009-2010	Member, Ad Hoc Committee on AAOS CPT Coding, American Shoulder and Elbow Surgeons
2009	Wrist/Elbow Co-Chair, Arthroscopy Association of North America, Fall Course
2008-2012	Member, BOS Health Policy Committee, American Academy of Orthopaedic Surgeons
2008-2012	AOSSM Representative, Board of Specialty Societies Member, American Academy of Orthopaedic Surgeons
2008-2012	Member, Health Policy and Ethics Committee, American Orthopaedic Society for Sports Medicine
2007-2018	Member, Government Affairs Committee, New York County Medical Society
2007-2009	Member, Education Committee, Arthroscopy Association of North America
2007-2009	Deputy Chair, Education Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2007	Chair, Advanced Shoulder Course, American Society for Surgery of the Hand
2006-2014	Member, Multimedia Education Center Committee, American Academy of Orthopaedic Surgeons
2006-2009	Member, Education Committee, American Association for Hand Surgery
2006	Program Chair, Fourth Tri-Annual, Indianapolis Hand Society, Fellowship Meeting
2005-Present	New York and Connecticut State Campaign Coordinator, Orthopaedic Research and Education Foundation
2005-2009	Member, Upper Extremity Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2005	Technical Exhibit Chair, Board of Directors, Eastern Orthopaedic Association
2004-2007	Member, Program Committee, American Association for Hand Surgery
2004-2006	Member at Large, Eastern Orthopaedic Association
2003-2007	Member, Education Committee - Hand/Elbow/Wrist Subcommittee, Arthroscopy Association of North America
2003-2007	Member, Education Committee - Shoulder Subcommittee, Arthroscopy Association of North America
2003-2006	Member, Learning Center Committee, Arthroscopy Association of North America

2003-2007	Member, Education Committee, International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
2002-2003	Connecticut State Representative, Eastern Orthopaedic Association
2002-2003	New York City State Representative, Eastern Orthopaedic Association
2002-2018	Chairman, Orthopaedic Foundation
2000-2001	Member, Patient and Public Education Committee, American Society for Surgery of the Hand
2000	Chair, Symposium on Osteonecrosis, The World Congress on Orthopaedic Sports Trauma Conference, Gold Coast, Australia
1999	Technical Exhibit Chair, Board of Directors, Eastern Orthopaedic Association
1999-2006	Chair, Technical Exhibits Committee, Eastern Orthopaedic Association
1997-2002	Member, Upper Extremity Evaluation Committee, American Academy of Orthopaedic Surgeons
1996-2001	Board of Directors, The Indiana Hand Center Foundation

Mentoring

AAOS ALI Mentorship Program

2021	Daniel Murrey, MD, MPP Chief Medical Officer, SCA
------	--

Junior Faculty

2018-2019	Grigoriy Arutyunyan, MD
2016-2017	Margaret Harvey, DO
2012-2014	Michael Mangonon, DO
2010-2014	Joseph Bellapianta, MD

Fellows

2022-2023	Rafael Sanchez, MD Alexander Strassman, DO
2021-2022	William D. Murrell, MD Clifford Voigt, MD
2020-2021	Karthikeyan Chinnakkannu, MD

Thomas Evely, DO

2019-2020 Jaya Prasad Shanmugam, MD

2018-2019 Harish Kempegowda, MD

2016-2017 Joseph Ajdinovich, MD

2013-2014 Jeffrey Alwine, DO
Albert Dunn, DO

2012-2013 William Stewart, MD
Monet France, MD

2010-2011 Bradley Lawson, MD
Francesca Swartz, DO

2009-2010 Alberto Rivera-Rosado, MD

2008-2009 Sheryl Lipnick, DO
David Dickerson, MD

2007-2008 Mary Ann Gardner, MD

2006-2007 Shariff Bishai, MS, DO

2005-2006 Peter Blank, DO

2004-2005 Pedro Piza, MD

1996-1997 Timothy Luke, MD

Residents

2016 Bogdan A. Matache, MD, CM
University of Ottawa, Ottawa, Canada

2015 Adriana Jimenez-Gonzalez, MD
Instituto Nacional de Rehabilitacion, Mexico City, Mexico

Medical Students

2021 Jalen Warren (RJOS)
Ohio University Heritage College of Osteopathic Medicine

2020 Tiahna Spencer
University of Connecticut

2019 Ekene Ezeokoli
Oakland University William Beaumont School of Medicine

Courtney Testani
Campbell University

2018 Katelyn Harrison
Florida State University

Gaurav Majmudar
Howard University

- 2017-2018 Eric West
Brody School of Medicine, East Carolina University
- 2016 Ilana Yelin
Albert Einstein College of Medicine
- 2015-2016 Yonatan Keschner
Albert Einstein College of Medicine
- 2015 Sandip Tarpada
Albert Einstein College of Medicine
- 2014 Sarah Stelma
Albert Einstein College of Medicine
- 2013-2014 Jimmy Chan
Albert Einstein College of Medicine
- 2013 Woodson Petit- Frere
Albert Einstein College of Medicine
- 2011 Ariana Brooks-James
Albert Einstein College of Medicine

Physician Assistant Students

- 2021 Andrew Dows
University of Bridgeport
- Dale Harder
University of Bridgeport
- 2020 Gerald Agyapong
Sacred Heart University

RESEARCH

Grants

1. Lewis (PI). National Institute of Aging (NIA), National Institutes of Health (NIH); R44AG061985, Daily & Localized NSAID Sonophoresis for Symptomatic Treatment of Knee Osteoarthritis. **Clinical Investigator.** 2021-2023.
2. Werner S, Hawkins R, Dillman C, **Plancher KD.** U.S. Olympics, Women's Softball. Biomechanics of the Shoulder in Fast Pitch. 1996.
3. Dalton LR, Simon SR, **Plancher KD.** Private Communication. 1978. National Science Foundation Jr. Grant. Rotational Behavior of the ATP and Mg⁺⁺ ATP Binding Sites on Na-K ATPase as Measured by Saturation Transfer Spectroscopy. 1979.

Investigational Studies

1. Geistlich Pharma AG. A Prospective, Multicenter, Concurrently Controlled Clinical Study of Chondro-Gide® Articular Cartilage Coverage for the Treatment of Large Chondral Lesions in the Knee (SECURE). **Lead Investigator**. 2020-Present.
2. Episurf Medical, Inc. A Prospective, Randomized, Controlled, Multi-Center Study to Evaluate the Safety and Effectiveness of the Episealer® Knee System Compared to Microfracture for the Treatment of Focal Femoral Knee Chondral or Osteochondral Lesions: Episealer® Knee System IDE Clinical Study. **Lead Investigator**. 2019-Present.
3. Aesculap Biologics, LLC. A Phase 3 Prospective, Randomized, Partially Blinded Multi-Center Study to Measure the Safety and Efficacy of NOVOCART® 3D, Compared to Microfracture in the Treatment of Articular Cartilage Defects. **Principal Investigator**. 2019-Present.
4. Recro Pharma. A Phase 3b, Randomized, Double-Blind, Placebo-Control, Multicenter, Evaluation of the Safety and Efficacy of N1539 Administered Preoperatively in Open Unilateral Total Knee Arthroplasty. **Principal Investigator**. 2019.
5. ZetrOZ Systems. Sustained Acoustic Medicine for Knee Pain Related to Osteoarthritis. **Principal Investigator**. 2017-2020.
6. Oxford Immunotec, Inc. Lyme Test Indication Combinations (LyTIC) Study. **Principal Investigator**. 2017-2018.
7. Oxford Immunotec, Inc: Diagnostic Study of Lyme Disease. **Principal Investigator**. 2015-2017.
8. Anika Therapeutics: A Prospective, Randomized, Active Treatment, Controlled, Evaluator-Blinded (Radiologist Reviewer and Physician Evaluator) Multicenter Study To Establish The Superiority Of A Hyaluronan-Based Scaffold (Hyalofast®) with Autologous Bone Marrow Aspirate Concentrate (BMAC) in the Treatment of Articular Knee Cartilage Defect Lesions in Comparison to Control (Microfracture Treatment). **Principal Investigator**. 2015-Present.
9. Seikagaku Corporation: A Multi-Center, Randomized, Double-Blind, Phosphate Buffered Saline-Controlled Study to Evaluate Effectiveness and Safety of a Single Intra-Articular Injection of Gel-One® for the Treatment of Osteoarthritis of the Knee with Open-Label Safety Extension. **Principal Investigator**. 2013-2016.
10. Medtronic: A Prospective, Randomized, Multicenter Pivotal Clinical Trial of the INFUSE/MASTERGRAFT Delayed Healing Device with Rigid Internal Fixation in the Treatment of Tibial Delayed Healing. **Adjudicator**. 2012.
11. Zimmer: A Study Utilizing a New Cartilage Product that Involves the Use of Allograft (cadaveric) Cartilage Plugs to Fill in Arthritic Lesions in the Knee to Avoid Artificial Knee Replacement. **Principal Investigator**. 2011-2014.
12. Pfizer: A Randomized, Double Blind, Parallel-Group Study Of Cardiovascular Safety In Osteoarthritis or Rheumatoid Arthritis Patients With or at High Risk for Cardiovascular Disease Comparing Celecoxib With Naproxen and Ibuprofen. **Principal Investigator**. 2011-2016.

13. Ferring: Evaluation of Patient Satisfaction and Retention with Hyaluronan (HA) Therapies Among patients with Osteoarthritis of the Knee. **Principal Investigator.** 2010.
14. Anika: A Study of the Safety of Repeat Injection of Intra-articular MONOVISC Sodium Hyaluronate in Patients with Osteoarthritis of the Knee. **Principal Investigator.** 2009.
15. Anika: A Randomized, Double-Blind, Placebo Controlled, Multi-Center Study of a Single Injection Cross-linked Sodium Hyaluronate to Provide Symptomatic Relief of Osteoarthritis of the Knee. **Principal Investigator.** 2008-2009.
16. Smith and Nephew: A multi-center, randomized, double-blind, placebo controlled trial of three injections of SUPARTZ (sodium hyaluronate) for the treatment of chronic shoulder pain associated with glenohumeral OA. Orthopaedic Foundation. **Principal Investigator.** 2007-2010.
17. Pfizer: A Six Week Double-Blind, Randomized, Multicenter Comparison Study of the Analgesic Effectiveness of Celecoxib 200mg BID Compared to Tramadol Hydrochloride 50mg QID in Subjects with Chronic Low Back Pain. **Principal Investigator.** 2007-2008.
18. Seikagaku Corporation: A Multi-Center, Extension and Open-Label Study of a Single or Repeat Intra-Articular Injection of Gel-200 in Osteoarthritis of the Knee. Orthopaedic Foundation. **Principal Investigator.** 2007-2009.
19. Pfizer: Gastrointestinal Randomized Event and Safety Open-Label Nonsteroidal Anti-inflammatory Drugs (NSAID) Study of Celebrex Compared with Non-Selective NSAIDs in Osteoarthritis Patients. Orthopaedic Foundation. **Principal Investigator.** 2006-2010.
20. Strand V, Baraf HSB, Laving PT, Lim S, Hosokawa H. A Multicenter, Randomized Controlled Trial Comparing a Single Intra-Articular Injection of Gel-200, a New Cross-Linked Formulation of Hyaluronic Acid, to Phosphate Buffered Saline for Treatment of Osteoarthritis of the Knee. Osteoarthritis and Cartilage. 2012;20:350-356.
21. Seikagaku Corporation: Study of a Single Intra-Articular Injection of Gel-200 with a Single Intra-Articular Injection of Phosphate Buffered Saline in Osteoarthritis of the Knee. Orthopaedic Foundation. **Principal Investigator.** 2006-2007.
22. Pfizer: Celecoxib versus Tramadol for the treatment of Low Back Pain. Orthopaedic Foundation. **Principal Investigator.** 2006-2007.
23. Pfizer: Multicenter, Randomized, Active-Controlled Comparison Study of the Incidence of Gastroduodenal Ulcers Associated with Celecoxib + Low Dose ASA Versus Naproxen + Low Dose ASA in Healthy Subjects (50-75 Years of Age). Orthopaedic Foundation. **Principal Investigator.** 2004-2005.
24. Novartis: A 13-week, multicenter, randomized, double-blind, double-dummy, placebo-controlled, parallel group trial of lumiracoxib (COX 189) 100mg o.d. in patients with primary hip osteoarthritis using celecoxib (200mg o.d.) as a positive control. Orthopaedic Foundation, **Principal Investigator.** 2004-2005.

25. Foundaparinux versus Enoxaparin for the Prevention of Venous Thromboembolism in Major Orthopedic Surgery. **Co-Investigator**. Stamford Hospital. 2001-2002.
26. Two Drug Comparison in the Prevention of Deep Vein Thrombosis and Symptomatic Pulmonary Embolism after Elective Major Knee Surgery or a Revision. Embolism after Elective Major Knee Surgery or a Revision. Organon (Akzo Nobel). **Principal Investigator**. Montefiore Medical Center and Weiler Hospital, Division of Albert Einstein College of Medicine. 1998-2000.
27. Demineralized Bone versus Autologous Bone in Long Bone Grafting Procedures, Osteotech. **Principal Investigator**. Montefiore Hospital. 1998-2000.
28. Resorbable Plates and Screws versus Rigid Internal Fixation with Metallic Plates and Screws for the Treatment of Metacarpal Fractures. Biomet Inc. **Principal Investigator**. Montefiore Medical Center. 1998-1999.
29. Skier's Thumb: A Biomechanical Model – Vail Valley Medical Center. **Principal Investigator**. 1995-2000.
30. Compartment Syndrome Measurements with a Noninvasive Device. Sponsored by EBI. **Principal Investigator**. Montefiore Medical Center. 1994-1997.

59. Transitioning to Arthroscopic Rotator Cuff Repair Invited Guest Speaker. Grand Rounds. Yale New Haven Hospital. New Haven, Connecticut. November 2009.
60. Posterior Shoulder Pain: What's Hot, What's Not. Update 2005. Detroit Academy of Orthopaedic Surgery. William Beaumont Hospital. Troy, Michigan. November 2005.
61. Lateral Epicondylitis Update 2005: What's New! What's Science! Grand Rounds. Hartford Hospital. Hartford, Connecticut. January 2005.
62. Minimally Invasive Surgery and Its Role in Pain Management. Presidential Guest Lecturer. Sir John Golding Memorial Lecture. Jamaican Orthopaedic Association. Kingston, Jamaica. February 2005.
63. Evaluating Limb Pain: Pearls and Pitfalls. Presidential Guest Lecturer. Sir John Golding Memorial Lecture. Jamaican Orthopaedic Association. Kingston, Jamaica. February 2005.
64. Posterior Shoulder Pain: A New Arthroscopic Procedure. Grand Rounds. University of Puerto Rico Orthopaedic Surgery Program. San Juan, Puerto Rico. October 2004.

65. ACL Reconstruction in Patients Over 40 Years Old. Grand Rounds. University of Puerto Rico Orthopaedic Surgery Program. San Juan, Puerto Rico. October 2004.
66. The Spinoglenoid Ligament: An Arthroscopic Approach for Relief of Symptoms. Grand Rounds. Beth Israel Hospital. New York, New York. January 2004.
67. Advanced Topics of the Posterior and Anterior Shoulder. Grand Rounds. Rhode Island Hospital. Rhode Island. March 2003.
68. The Spinoglenoid Ligament: Anatomy, Morphology, and Histology. Grand Rounds. Lahey Clinic. Burlington, Massachusetts. April 2001.
69. The Rotator Interval and Defect: Qualification of its Dimensions in a Dynamic Model with Correlation to Underlying Glenohumeral Joint Pathology. Grand Rounds. Lahey Clinic. Burlington, Massachusetts. April 2001.
70. Surgical Intervention of Rheumatoid Arthritis. Rheumatology Grand Rounds. Section of Rheumatology, Department of Internal Medicine. Yale University. New Haven, Connecticut. June 1999.
71. Carpal Tunnel Surgery: Limited Palmar Incision. Grand Rounds. St. Barnabas Medical Center. Montville, New Jersey. October 1996.
72. Skier's Thumb: Prediction of a Stener Lesion with the MRI. Guest of Honor – Visiting Professor. Rocky Mountain Hand Society. Denver, Colorado. May 1995.
73. Dislocation of the Knee. Grand Rounds. Brigham and Women's Hospital. Clement Sledge, Program Chairman. Boston, Massachusetts. April 1989.

PRESENTATIONS

International

1. Faculty. Indonesian Hip & Knee Society Summit. August 2022. Bali, Indonesia.
2. Isolated Lateral Joint Osteoarthritis (OA): Survivorship And Patient Acceptable Symptom State (Pass) At A Mean 10 Years Following Lateral Fixed-Bearing Unicompartmental Knee Arthroplasty (UKA). 20th ESSKA Congress. European Society of Sports Traumatology, Knee Surgery & Arthroscopy. April 2022. Paris, France.
3. Repairing Lateral Meniscus Tears with ACL Reconstruction Ensures Low Rate of Symptomatic OA Compared to Meniscectomy at 11-Year Follow Up. ICRS 2022 16th World Congress. International Cartilage Regeneration & Joint Preservation Society. April 2022. Berlin, Germany.
4. How to Improve My ACL reconstruction healing? An Anatomic Solution Using Bone-Patella Tendon-Bone. LXVII Congreso Nacional De Ortopedia De La Ciudad De Mexico. April 2022. Mexico City, Mexico.

5. What Modalities I Use When To Treat Chondral Injuries In My Patients With Knee Pain. LXVII Congreso Nacional De Ortopedia De La Ciudad De Mexico. April 2022. Mexico City, Mexico.
6. Elbow Arthroscopy: From Basic To Challenging Pathology – A Road To Success. LXVII Congreso Nacional De Ortopedia De La Ciudad De Mexico. April 2022. Mexico City, Mexico.
7. Small To Large Rotator Cuff Tears: Avoiding Infection, Re-Rupture & The Use Of Biologic Augment To Gain Success. LXVII Congreso Nacional De Ortopedia De La Ciudad De Mexico. April 2022. Mexico City, Mexico.
8. Shoulder Instability: Where I Went Wrong, What I Learned, Let Me Share With You. LXVII Congreso Nacional De Ortopedia De La Ciudad De Mexico. April 2022. Mexico City, Mexico.
9. Anterior Instability With Bone Loss: Are You Overwhelmed? A Quick Algorithm To Pick The Best Procedure. The 41st Annual Meeting of the Israel Orthopaedic Association (IOA). March 2022. Tel Aviv, Israel.
10. Large/Massive Rotator Cuff Tears: New Concepts, Difficult Problems, Making Patients Better. The 41st Annual Meeting of the Israel Orthopaedic Association (IOA). March 2022. Tel Aviv, Israel.
11. Biologic Augmentation for Rotator Cuff Tears – Basic Science & Clinical Value. The 41st Annual Meeting of the Israel Orthopaedic Association (IOA). March 2022. Tel Aviv, Israel.
12. Utilization of Bone-Patella Tendon-Bone for an Anterior Cruciate Ligament Reconstruction. The 41st Annual Meeting of the Israel Orthopaedic Association (IOA). March 2022. Tel Aviv, Israel.
13. The Challenge of Leadership in 2022: A Necessity of Coming Together. The 41st Annual Meeting of the Israel Orthopaedic Association (IOA). March 2022. Tel Aviv, Israel.
14. Course Chair. Articular Cartilage Course SEL India. American Academy of Orthopaedic Surgeons. January 2022. Virtual.
15. Biological Injections: Where Are We at in 2019 with PRP and HA. Articular Cartilage Course SEL India. American Academy of Orthopaedic Surgeons. January 2022. Virtual.
16. Panelist. Articular Cartilage Course SEL India. American Academy of Orthopaedic Surgeons. January 2022. Virtual.
17. ACI/MACI: What Have We Achieved. AANA. Sociedad Latinoamericana de Artroscopia, Rodilla y Deporte (SLARD). Columbia. August 2021. Virtual
18. An Individualized Approach to ACL Reconstruction. 9th International Conference of Egyptian Arthroscopy Association (EGAA). August 2021. Cairo, Egypt. Virtual

19. Surgical Moderator. DeNovo NT, Subchondroplasty. International Sports Medicine Fellows (ISMF) 2021 World Cup Conference. May 2021. Virtual
20. Team Coach. Cartilage Crusaders. International Sports Medicine Fellows (ISMF) 2021 World Cup Conference. May 2021. Virtual
21. **Plancher KD**, Petterson SC. Failure Rates & Functional Outcomes of Allograft & Autograft Bone-Patellar Tendon-Bone (BPTB) Anterior Cruciate Ligament Reconstruction in Patients <30 Years Old. 19th Biennial ESSKA Congress. May 2021. Milan, Italy.
22. How I Reconstruct Each Patient Based on Individual's Anatomy (Individualized ACL Reconstruction). 19th Biennial ESSKA Congress. May 2021. Milan, Italy.
23. Brazilian Society of Shoulder and Elbow Society. Stiffness following surgical repair. Frozen Shoulder Webinar. Virtual. March 2021
24. Panelist. Avoiding and Managing Complications in PCL Surgery Masterclass. Pune Knee Course. April 2021. Pune, India. (*Postponed due to Covid-19*)
25. Tips and Tricks to Avoid the Killer Turn. How to Perform an Ideal PCL Reconstruction. Pune Knee Course. April 2021. Pune, India. (*Postponed due to Covid-19*)
26. Moderator. Current Concepts Review: PCL Instability. Pune Knee Course. April 2021. Pune, India. (*Postponed due to Covid-19*)
27. Panelist. Meniscus Surgery Masterclass. Pune Knee Course. April 2021. Pune, India. (*Postponed due to Covid-19*)
28. Panelist. ACL Surgery Masterclass. Pune Knee Course. April 2021. Pune, India. (*Postponed due to Covid-19*)
29. Bone Marrow Aspirate Concentrate: OrthoBiologics in Sports: How Good Are We? Pune Knee Course. April 2021. Pune, India. (*Postponed due to Covid-19*)
30. Good Functional Outcomes and Satisfaction in Patients with Comorbidities After Rotator Cuff Repair with the Bovine Bioinductive Patch. The 28th Annual International Congress of Korean Shoulder and Elbow Course. March 2021. Virtual.
31. Do Pre-op Corticosteroid Injections Increase Infections, Re-ruptures and Revisions in Primary RCR? The 28th Annual International Congress of Korean Shoulder and Elbow Course. March 2021. Virtual.
32. Surgical Treatment for Adhesive Capsulitis. Reported Outcomes and Results. What Should we Expect? Frozen Shoulder. Brazilian Society of Shoulder and Elbow Society. March 2021. Virtual Webinar.

33. Treatment Of Anterior Shoulder Instability (ASI) With Or Without Bone Loss. Recurrent ASI with < 10 % glenoid bone loss (Age < 20 / Traumatic first-time). 8th Biennial Congress of Shoulder and Elbow Colombian Society of Orthopedic Surgeons. October 2020. Cartagena, Colombia. (Virtual due to COVID 19).
34. Management of failed ASI Surgery & Other topics. Failed Bankart repair. 8th Biennial Congress of Shoulder and Elbow Colombian Society of Orthopedic Surgeons. October 2020. Cartagena, Colombia. (Virtual due to COVID 19).
35. Tips And Tricks For This Surgery And Discussion Of The Different Alternatives For The Case. Arthroscopic Decompression Of The Suprascapular Nerve Release (Spinoglenoid). 8th Biennial Congress of Shoulder and Elbow Colombian Society of Orthopedic Surgeons. October 2020. Cartagena, Colombia. (Virtual due to COVID 19).
36. How To Treat Small And Medium Rotator Cuff Tear? Panelist. 8th Biennial Congress of Shoulder and Elbow Colombian Society of Orthopedic Surgeons. October 2020. Cartagena, Colombia. (Virtual due to COVID 19).
37. Moderator/Panelist. TKR with Robotics Technique vs TKR with Conventional Technique. Asia Pacific Knee Society (APKS) / Asia Pacific Arthroplasty Society (APAS). Webinar. October 2020.
38. Faculty. XXV AMECRA International Congress. June 2020 (Canceled due to COVID 19). Acapulco Guerrero, Mexico.
39. **Plancher KD**, Petterson SC. Reliable Anatomic Tunnel Placement Using a Transtibial Approach. Magellan Society. March 2020. Bariloche City, Argentina. Meeting Held/Travel Restrictions.
40. **Plancher KD**, Briggs K, Petterson SC. Repairing Lateral Meniscus Tears in Patients With Anterior Cruciate Ligament Reconstruction Ensures Low Rate of OA Compared to Lateral Meniscectomy at 9-year Follow-Up. March 2020. Bariloche City, Argentina. Meeting Held/Travel Restrictions due to COVID 19.
41. Biological Augmentation of Meniscal Repair and Early Arthritis. Ranawat Orthopaedic Research Foundation/HSS Conference. January 2020. Mumbai, India.
42. I Repair ACL with Internal Bracing, Here's Why. Ranawat Orthopaedic Research Foundation/HSS Conference. January 2020. Mumbai, India.
43. ACL Reconstruction: Transtibial vs. Medial Portal, What is Best? Ranawat Orthopaedic Research Foundation/HSS Conference. January 2020. Mumbai, India.
44. My Technique: ACL/MCL Repair/Reconstruction. Ranawat Orthopaedic Research Foundation/HSS Conference. January 2020. Mumbai, India.
45. **Plancher KD**, Briggs K, Petterson SC. Development of OA Following ACL Reconstruction: The Influence of Meniscus Pathology. ACL Study Group. January 2020. Kitzbuhel, Austria.

46. Elbow Sports Medicine: Making Elbow Arthroscopy Easy and Reproducible. IX Meeting of the Mexican Society of Shoulder and Elbow Surgeons. September 2019. Quintana Roo, Mexico.
47. Arthroscopic Anterior Stabilization for Contact Athletes. IX Meeting of the Mexican Society of Shoulder and Elbow Surgeons. September 2019. Quintana Roo, Mexico.
48. Orthobiologics in Shoulder and Elbow: Derived from Amnion in Shoulder and Elbow Surgery. IX Meeting of the Mexican Society of Shoulder and Elbow Surgeons. September 2019. Quintana Roo, Mexico.
49. Arthroscopic Bankart Capsulorrhaphy and Remplissage for Instability with Hill-Sachs and Subcritical Bone Loss. La Sociedad Puertorriqueña de Ortopedia y Traumatología (SPOT). August/September 2019. Rio Grande, Puerto Rico.
50. Individualized ACL Reconstructions? The Concept and My Approach. La Sociedad Puertorriqueña de Ortopedia y Traumatología (SPOT). August/September 2019. Rio Grande, Puerto Rico.
51. Expert Panel Discussion. La Sociedad Puertorriqueña de Ortopedia y Traumatología (SPOT). August/September 2019. Rio Grande, Puerto Rico.
52. Expert Panel Discussion. La Sociedad Puertorriqueña de Ortopedia y Traumatología (SPOT). August/September 2019. Rio Grande, Puerto Rico.
53. Lateral Unicondylar Knee Replacement. La Sociedad Puertorriqueña de Ortopedia y Traumatología (SPOT). August/September 2019. Rio Grande, Puerto Rico.
54. Moderator. La Sociedad Puertorriqueña de Ortopedia y Traumatología (SPOT). August/September 2019. Rio Grande, Puerto Rico.
55. Address the Pain: Biceps, Suprascapular Nerve, and Counting. ICL #17: Complex Issues In RCR Surgery and Advanced Techniques to Solve Them. 12th Biennial Congress, International Society of Arthroscopy, Knee Surgery & Orthopaedic Sports Medicine. May 2019. Cancun, Mexico.
56. ICL #10: Everything Rotator Cuff. Instructional Course Chair. 12th Biennial Congress, International Society of Arthroscopy, Knee Surgery & Orthopaedic Sports Medicine. May 2019. Cancun, Mexico.
57. Treatment Decision and Why You Chose. Complex Issues in Instability Surgery: A Case Base Approach. 12th Biennial Congress, International Society of Arthroscopy, Knee Surgery & Orthopaedic Sports Medicine. May 2019. Cancun, Mexico.
58. Arthroscopic Bankart Capsulorrhaphy and Remplissage for Instability with Hill-Sachs and Subcritical Bone Loss - Case Presentation. Complex Issues in Instability Surgery: A Case Base Approach. 12th Biennial Congress, International Society of Arthroscopy, Knee Surgery & Orthopaedic Sports Medicine. May 2019. Cancun, Mexico.
59. The Bio-Inductive Implant for Rotator Cuff Surgery. Pre Course: Current Concepts in Shoulder Surgery. 12th Biennial Congress, International Society of Arthroscopy, Knee Surgery & Orthopaedic Sports Medicine. May 2019. Cancun, Mexico.

60. **Plancher KD**, Petterson SC. Outcomes and Failure Rate Similar in Patients Undergoing Unicompartamental Knee Arthroplasty with ACL Deficiency Compared to Patients with Non-Deficient ACL. Mini-Magellan Society Meeting. May 2019. Cancun, Mexico.
61. The Rotator Cuff Is Weak: It Is Not A Tear, Don't Miss The Diagnosis. The Role of Shoulder Imaging: Communication Between the Orthopaedic Surgeons and Radiologists. Rome, Italy. October 2018.
62. Why I Perform an Arthroscopic Bankart and How for First Time Instability with Mild to Moderate Bone Loss? The Role of Shoulder Imaging: Communication Between the Orthopaedic Surgeons and Radiologists. Rome, Italy. October 2018.
63. Arthroscopic Subacromial Decompression: The US Perspective. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Shoulder Committee Consensus Meeting. May 2018. Munich, Germany.
64. Arthroscopic Suprascapular Nerve Release. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Shoulder Committee Consensus Meeting. May 2018. Munich, Germany.
65. Biologic Augmentation in RC Repair: Patches & Grafts – Part 1. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Shoulder Committee Consensus Meeting. May 2018. Munich, Germany.
66. Petterson SC, Yellin I, Green A, **Plancher KD**. Functional Outcomes After Unicompartamental Knee Arthroplasty: Are Medial & Lateral UKA Equal? European Society of Sports Traumatology Knee Surgery and Arthroscopy (ESSKA). May 2018. Glasgow, United Kingdom.
67. **Plancher KD**, West EJ, Petterson SC. Allograft Bone-Patellar Tendon-Bone (BBTB) ACLR in Patients <30 Years – Part 1. The Anterior Cruciate Ligament Study Group. January 2018. Queenstown, New Zealand.
68. Bankart Repair in Contact Athlete. 4th International Meeting of Arthroscopy Academy. July 2017. Mumbai, India.
69. BTB ACL Reconstruction – Is It Still Gold Standard? 4th International Meeting of Arthroscopy Academy. July 2017. Mumbai, India.
70. Autologous and Allogenic Stem Cells for Chondral Defects of the Knee. 4th International Meeting of Arthroscopy Academy. July 2017. Mumbai, India.
71. Remplissage or Latarjet – When and Why? 4th International Meeting of Arthroscopy Academy. July 2017. Mumbai, India.
72. Panel Discussion: Shoulder Instability. 4th International Meeting of Arthroscopy Academy. July 2017. Mumbai, India.

73. Video Demo: Arthroscopic Bankart Repair. 4th International Meeting of Arthroscopy Academy. July 2017. Mumbai, India.
74. Live Surgery: Double Row Rotator Cuff Repair. 4th International Meeting of Arthroscopy Academy. July 2017. Mumbai, India.
75. Biologic Augmentation for Rotator Cuff Tears – Basic Science & Clinical Value. 11th Biennial International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Congress. June 2017. Shanghai, China.
76. Moderator. Humeral Head Replacement for Fracture. 11th Biennial International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Congress. June 2017. Shanghai, China.
77. Symposium Chair. Strategies for Bony Defects in the Treatment of Anterior Shoulder Instability. 11th Biennial International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Congress. June 2017. Shanghai, China.
78. 25-Year-Old Olympic Swimmer with Recurrent Shoulder Instability & Mild to Moderate Glenoid Bone Loss: Incorporate the Bone Fragment - Let Me Show You How with An Arthroscopic Bankart Repair. 11th Biennial International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Congress. June 2017. Shanghai, China.
79. Symposium Faculty. Mistakes I Have Made in Shoulder Surgery & How to Avoid Them. 11th Biennial International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Congress. June 2017. Shanghai, China.
80. Don't Try to Treat Arthritis, Treat the Instability 20 Years Before & Don't Think Rotator Cuff Is An Easy Operation. Symposium: Mistakes I Have Made in Shoulder Surgery and How to Avoid Them. 11th Biennial International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Congress. June 2017. Shanghai, China.
81. ICL 10 Chair. Instability with Bone Loss: A Case Based Approach. 11th Biennial International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Congress. June 2017. Shanghai, China.
82. Moderator: Papers #252 thru #256 – Shoulder Stiffness. 11th Biennial International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS) Congress. June 2017. Shanghai, China.
83. Petterson SC, Matache BA, **Plancher KD**. Amniotic Stem Cells Improve MRI Findings in Chronic Patellar Tendinopathy. Mini Magellan Society Meeting. June 2017. Shanghai, China.
84. Ajdinovich J, Petterson SC, **Plancher KD**. In-Office Biceps Tenotomy: A Safe, Cost Effective Procedure. Mini Magellan Society Meeting. June 2017. Shanghai, China.
85. **Plancher KD**, Green AM, Petterson SC. Bone Marrow Aspirate Concentrate for Chronic Lateral Elbow Pain. Mini Magellan Society Meeting. June 2017. Shanghai, China.

86. Petterson SC, **Plancher KD**. Think You Are Good? Prove It! Single Bundle Transtibial ACL Reconstruction – Be Anatomic! Mini Magellan Society Meeting. June 2017. Shanghai, China.
87. Large/Massive Rotator Cuff Tears: New Concepts, Difficult Problems, Making Patients Better. 2017 Suzhou Shoulder and Sports Medicine Summit Forum. June 2017. Suzhou City, China.
88. **Plancher KD**, Alwine J, Petterson SC. Lateral Unicondylar Knee Arthroplasty Returns Women to Moderate and Vigorous Sports: 3-12 Year Follow-Up with Lateral Parapatellar Incision. Magellan Society Meeting. Taos, New Mexico. July 2016.
89. **Plancher KD**, Green AM, Petterson SC. Functional Outcomes in Contact Versus Non-Contact Athletes Following Modified Bankart Repair with Plication Sutures: An 11 Year Follow-Up. Magellan Society Meeting. Taos, New Mexico. July 2016.
90. Superior Capsular Reconstruction. 8th Peruvian Arthroscopic Chapter Meeting. Lima, Peru. June/July 2016.
91. Massive Rotator Cuff Tears: Three New Modalities For Reducing Pain and Gaining Strength. 8th Peruvian Arthroscopic Chapter Meeting. Lima, Peru. June/July 2016.
92. ACL Reconstruction in Female Athletes. 8th Peruvian Arthroscopic Chapter Meeting. Lima, Peru. June/July 2016.
93. Advanced Techniques for Achieving Repair of Large and Massive Tears. 8th Peruvian Arthroscopic Chapter Meeting. Lima, Peru. June/July 2016.
94. Chondral Defects of the Knee: New Technology - PRP to Amniotic Stem Cells. 8th Peruvian Arthroscopic Chapter Meeting. Lima, Peru. June/July 2016.
95. Crossfire: Rotator Cuff Repair. 8th Peruvian Arthroscopic Chapter Meeting. Lima, Peru. June/July 2016.
96. Failed Instability: An Algorithm How to Succeed. 8th Peruvian Arthroscopic Chapter Meeting. Lima, Peru. June/July 2016.
97. ACL and Meniscus: Simultaneous Management? 8th Peruvian Arthroscopic Chapter Meeting. Lima, Peru. June/July 2016.
98. ACL Reconstruction Failure: How Do I Solve It? 8th Peruvian Arthroscopic Chapter Meeting. Lima, Peru. June/July 2016.
99. The ACL-Deficient Osteoarthritic Knee: Achieving Success with Partial Knee Replacement. XXI International AMECRA Congress. Merida, Mexico. May 2016.
100. Biologics for Articular Cartilage Defects of the Knee: From PRP to Amniotic Cells-But When? XXI International AMECRA Congress. Merida, Mexico. May 2016.
101. Massive Rotator Cuff Tears: Three New Modalities For Reducing Pain and Gaining Strength. XXI International AMECRA Congress. Merida, Mexico. May 2016.

102. Suprascapular Nerve Release and Paralabral Cyst Decompression. 13th International Congress of Shoulder and Elbow Surgery (ICSES). Jeju, Korea. May 2016.
103. **Plancher KD**, Green AM, Petterson SC. Functional Outcomes in Contact Versus NonContact Athletes with Anterior Shoulder Instability Following Arthroscopic Bankart Repair With A Modification. 13th International Congress of Shoulder and Elbow Surgery (ICSES). Jeju, Korea. May 2016.
104. Shoulder Instability Across Lifespan: Suprascapular Nerve Release in Patients >40 Years. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine Shoulder Committee Closed Consensus Meeting. Munich, Germany, May 2016.
105. **Plancher KD**, Green AM, Petterson SC. Modified Arthroscopic Bankart Repair Successfully Returns Contact Athletes to Sport: An 11 Year Follow-up. Invited Faculty. 17th ESSKA Biennial Congress. Barcelona, Spain. May 2016.
106. **Plancher KD**, Alwine JA, Green AM, Petterson SC. Outcomes and Return to Sport in Lateral Unicdyar Knee with 5 Year Follow-up in Middle Aged Adults. 17th ESSKA Congress. Barcelona, Spain. May 2016.
107. **Plancher KD**, Jimenez-Gonzalez A, Green AM, Petterson SC. Medial Unicompartmental Knee Arthroplasty and Alignment: Should We Correct to Neutral? 17th ESSKA Biennial Congress. Barcelona, Spain. May 2016.
108. **Plancher KD**, Petterson SC. Autograft/Allograft Single-Bundle Transtibial Anterior Cruciate Ligament Reconstruction: Restoration of the Native Footprint - A Simple 3D CT Radiographic Evaluation. ACL Study Group. Are, Sweden. March 2016.
109. Acromioclavicular (AC) Joint Reconstruction. Invited Faculty. International Congress for Joint Reconstruction (ICJR). 2015 Las Vegas Shoulder Course. Las Vegas, NV. November 2015.
110. Partial Cuff Tears: Complete or Fix In-Situ. Invited Faculty. International Congress for Joint Reconstruction (ICJR). 2015 Las Vegas Shoulder Course. Las Vegas, NV. November 2015.
111. What Would You Do?: Case-Based Presentations Panel Points of Discussion – Cuff Tears. Invited Faculty. International Congress for Joint Reconstruction (ICJR). 2015 Las Vegas Shoulder Course. Las Vegas, NV. November 2015.
112. Management of the Athlete With a Failed Shoulder Instability Procedure. Invited Faculty. XXII National Congress of the Italian Arthroscopy Society. Marina di Carrara, Italy. October 2015.
113. ACL & MCL Injuries in Elite Athletes: What I Do. Invited Faculty. XXII National Congress of the Italian Arthroscopy Society. Marina di Carrara, Italy. October 2015.
114. Autologous Stem Cells, Cartilage Implants, Unicompartement Lateral Knee Arthroplasty: What I Do In Elite Athletes. Invited Faculty. XXII National Congress of the Italian Arthroscopy Society. Marina di Carrara, Italy. October 2015.

115. Management of the Athlete with Failed Shoulder Instability Procedure. Invited Faculty. XXII National Congress of the Italian Arthroscopy Society. Marina di Carrara, Italy. October 2015.
116. The Co-Morbidities Malalignment, Ligament and Meniscal Deficiency. Invited Faculty. American Academy of Orthopaedic Surgeons in Conjunction with the Federacion Mexicana de Colegios de Ortopedia y Traumatologia (FEMECOT). Cancun, Mexico. October 2015.
117. Soft Tissue Innovations: Scaffolds, Jackets, Grafts. Invited Faculty. American Academy of Orthopaedic Surgeons in Conjunction with the Federacion Mexicana de Colegios de Ortopedia y Traumatologia (FEMECOT). Cancun, Mexico. October 2015.
118. ICL #21: Long-Term Results of Different ACL Grafts in Competitive Sports. 10th Biennial International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Lyon, France. June 2015.
119. Elbow Anatomy. 10th Biennial International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Lyon, France. June 2015.
120. Anterior Cruciate Ligament- Deficient Unicondylar Knee Arthroplasty: ACL Deficiency is Not a Contraindication to UKA. Mini-Magellan Society Meeting. Lyon, France. June 2015.
121. Biologics in Orthopaedics and Sports Medicine: How Close Are We to Finding the Ideal Injection. Invited Faculty. 7th International Arthroscopic Surgery Meeting. Sociedad Peruana de Ortopedia Y Traumatologica (Peruvian Arthroscopic Chapter of Peru). Lima, Peru. June 2015.
122. ACL/MCL Injuries in Elite Athletes: What To Do? Which Ligament Do You Fix? Invited Faculty. 7th International Arthroscopic Surgery Meeting. Sociedad Peruana de Ortopedia Y Traumatologica (Peruvian Arthroscopic Chapter of Peru). Lima, Peru. June 2015.
123. Autograft/Allograft, Single Bundle, Transtibial ACLR: Can They Restore Anatomy and Function. Invited Faculty. 7th International Arthroscopic Surgery Meeting. Sociedad Peruana de Ortopedia Y Traumatologica (Peruvian Arthroscopic Chapter of Peru). Lima, Peru. June 2015.
124. Partial Knee Arthroplasty: Avoid the Total. 7th International Congress Arthroscopic Surgery. Lima, Peru. June 2015.
125. Bone-Patellar Tendon-Bone is Superior to Hamstring in Anterior Cruciate Ligament Reconstruction: The Gold Standard. Invited Faculty. 7th International Arthroscopic Surgery Meeting. Sociedad Peruana de Ortopedia Y Traumatologica (Peruvian Arthroscopic Chapter of Peru). Lima, Peru. June 2015.
126. ACL Crossfire. Complications in ACL Reconstruction. Invited Faculty. 7th International Arthroscopic Surgery Meeting. Sociedad Peruana de Ortopedia Y Traumatologica (Peruvian Arthroscopic Chapter of Peru). Lima, Peru. June 2015.
127. Management of the Athlete with a Failed Shoulder Instability Procedure. Invited Faculty. 7th International Arthroscopic Surgery Meeting. Sociedad Peruana de Ortopedia Y Traumatologica (Peruvian Arthroscopic Chapter of Peru). Lima, Peru. June 2015.

128. Anterior Cruciate Ligament Complications. Moderator. 7th International Arthroscopic Surgery Meeting. Sociedad Peruana de Ortopedia Y Traumatologica (Peruvian Arthroscopic Chapter of Peru). Lima, Peru. June 2015.
129. Moderator: Modern Knee Ligament Surgery: Is Our Treatment Adequately Addressing the Pathology? 11th Middle East Orthopaedic Conference. Dubai, United Arab Emirates. January 2015.
130. Bone-Patellar Tendon-Bone is Superior to Hamstring in Anterior Cruciate Ligament Reconstruction? 11th Middle East Orthopaedic Conference. Dubai, United Arab Emirates. January 2015.
131. Round Table Discussion: When Do We Intervene? Partial Tears, Complete Tears Without Instability, Osteoarthritis Monitoring and Prevention Following Ligament Tear. 11th Middle East Orthopaedic Conference. Dubai, United Arab Emirates. January 2015.
132. Lateral UKA and Return to Sport - Is Technology Giving Us Better Outcomes. 11th Middle East Orthopaedic Conference. Dubai, United Arab Emirates. January 2015.
133. Periarticular Endoscopy - Suprascapular Nerve Release for Posterior Shoulder Pain. 31st Annual Meeting. Gesellschaft fur Arthroskopie und Gelenchirurgie Congress. Society for Arthroscopy and Joint Surgery. Innsbruck, Austria. September 2014.
134. Case Presentations – Throwing Shoulder. AGA Congress. Society for Arthroscopy and Joint Surgery. Innsbruck, Austria. September 2014.
135. Management of the Athlete with a Failed Shoulder Instability Procedure. NICE Shoulder Course. Nice, France. June 2014.
136. Arthroscopic Decompression of the Suprascapular Nerve Up and Down. NICE Shoulder Course. Nice, France. June 2014.
137. ACL in the Athlete: Autograft vs Allograft. SLARD Symposium. AMECRA Annual Meeting. Cancun, Mexico. June 2014.
138. Dealing with the Losers. Revision Cuff Repair and Suprascapular Nerve Release. ISAKOS Symposium. AMECRA Annual Meeting. Cancun, Mexico. June 2014.
139. Injuries on Sports Above the Shoulder – SLAP Lesions. AMECRA Annual Meeting. Cancun, Mexico. June 2014.
140. Injuries on Sports Above the Shoulder – Treatment of Supra/Infraspinatus Atrophy in Athletes. AMECRA Annual Meeting. Cancun, Mexico. June 2014.
141. Partial Knee Arthroplasty: Avoid the Total. SLARD Symposium. AMECRA Annual Meeting. Cancun, Mexico. June 2014.
142. Controversial Topics in ACL. Pro – BTB. AMECRA Annual Meeting. Cancun, Mexico. June 2014.

143. Controversial Topics in ACL. Pro – Transtibial Tunnel. AMECRA Annual Meeting. Cancun, Mexico. June 2014.
144. Biologics and PRP: Update 2014 – Any Role for the Physician? AMECRA Annual Meeting. Cancun, Mexico. June 2014.
145. Shoulder Stiffness: Concepts and Concerns - Stiffness After Instability Repairs: Open/Arthroscopic Bankart Procedures. Upper Extremity Closed Consensus Meeting. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Amsterdam, Netherlands. May 2014.
146. Surgical Treatment for Adhesive Capsulitis Reported Outcomes and Results - What Should We and The Patient Expect? Upper Extremity Closed Consensus Meeting. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Amsterdam, Netherlands. May 2014.
147. Autograft/Allograft, Single-Bundle, Transtibial ACLR Can Restore Anatomy and Function: A Radiographic and Outcome Study. Magellan Society Meeting. Kobe, Japan. April 2014.
148. Biologics in Orthopaedic and Sports Medicine – How Far Are We Close to Finding the Ideal Injection. My Experiences. Magellan Society Meeting. Kobe, Japan. April 2014.
149. Implications of Being a Team Physician from Amateur to Professional. ACIERTA Spanish Traumatology Meeting. Madrid, Spain. March 2014.
150. Interactive Workshop in Upper Extremity Surgery: Tips and Tricks in Shoulder Arthroscopy. ACIERTA Spanish Traumatology Meeting. Madrid, Spain. March 2014.
151. ACL/MCL: Injuries in Elite Athletes- What To Do? Which Ligament Do You Fix? ACIERTA Spanish Traumatology Meeting. Madrid, Spain. March 2014.
152. Autograft/Allograft, Single-Bundle, Transtibial ACLR at an Average 7-year Follow-up Yields Successful Radiographic Outcomes with Return to High Level Sports. Guest of John Bergfeld, MD, Cleveland Clinic. ACL Study Group. Cape Town, South Africa. January 2014.
153. Diagnosis and Repair of Subscapularis Tears. ICJR Shoulder Course. Las Vegas, NV. November 2013.
154. How I Do a Biceps Tenodesis. International Conference for Joint Reconstruction. 2013 Las Vegas Shoulder Course. Las Vegas, Nevada. November 2013.
155. Second Look at IM Nails for Proximal Humerus Fractures. International Conference for Joint Reconstruction (ICJR). 2013 Las Vegas Shoulder Course. Las Vegas, Nevada. November 2013.
156. What Would You Do: Case-Based Presentations – Cuff Tears. Panel. International Conference for Joint Reconstruction (ICJR). 2013 Las Vegas Shoulder Course. Las Vegas, Nevada. November 2013.

157. The Orthopedic Surgeon and Sports Medicine Practice: Implications of being a Team Physician from Amateur to Professional Teams/Organization. Instructional Course. Guest Professor. AMECRA Annual Meeting. Cancun, Mexico. June 2013.
158. Management of Elbow Arthritis & Overuse Injuries: Arthroscopic Treatment for Elbow Stiffness. Instructional Course. Guest Professor. AMECRA Annual Meeting. Cancun, Mexico. June 2013.
159. Cartilage Treatment: Where Are We Today? One-stage Chondral Repair. Instructional Course. Guest Professor. AMECRA Annual Meeting. Cancun, Mexico. June 2013.
160. New Techniques for Cartilage Restoration in the Knee and Shoulder. National Society for Orthopaedics. Acapulco, Mexico. May 2013.
161. Arthroscopic Release for Posttraumatic Elbow Contracture. National Society for Orthopaedics. Acapulco, Mexico. May 2013.
162. The Role of the Suprascapular Nerve in Posterior Shoulder Pain. National Society for Orthopaedics. Acapulco, Mexico. May 2013.
163. International Update on the Surgical Demonstration of the Shoulder and Elbow. Surgical Demonstrator Commentator. 9th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Toronto, Canada. May 2013.
164. Elbow MCL Rehabilitation. Post-op Protocols for the Upper Limb. The Orthopaedic Surgeon's Role in Shoulder and Elbow Rehabilitation. Invited Speaker. 9th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Toronto, Canada. May 2013.
165. Upper Extremity Course: Arthroscopic AC Joint Reconstruction. Commentator. 9th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Toronto, Canada. May 2013.
166. Worst Case Scenario - A Disaster on My Doorstep and How I Fixed It. Panelist. 9th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Toronto, Canada. May 2013.
167. Patients Undergoing Anterior Cruciate Ligament Reconstruction with Bone-Patellar Tendon-Bone Graft Do Not Have Greater Difficulty with Activities Associated with Anterior Knee Pain. Mini-Magellan Society Meeting. 9th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Toronto, Canada. May 2013.
168. How I Do It? Biceps Tenodesis. Faculty. International Conference for Joint Reconstruction (ICJR). 2012 Las Vegas Shoulder Course. Las Vegas, NV. September 2012.
169. Second Look at IM Nails for Proximal Humerus Fractures. Faculty. International Conference for Joint Reconstruction (ICJR). 2012 Las Vegas Shoulder Course. Las Vegas, NV. September 2012.

170. Suprascapular Nerve Pathology: New Tendencies and Indications. The Suprascapular Notch and the Spinoglenoid Ligament. Faculty. International Meeting of Sports Medicine. Latest Advances in Sports and Work Injury Medicine. Sevilla, Spain. September 2012.
171. Arthroscopic Suprascapular Nerve Release: When and How. Faculty. AMECRA Annual Meeting. Playa del Carmen, Mexico. June 2012.
172. Posttraumatic Stiff Elbow. Faculty. AMECRA Annual Meeting. Playa del Carmen, Mexico. June 2012.
173. Traumatic Shoulder Instability – How Should We Treat SLAP Tears in Our Athletes? Faculty. AMECRA Annual Meeting. Playa del Carmen, Mexico. June 2012.
174. Prospective Evaluation Following Arthroscopic Treatment of Anterior Shoulder Instability in Contact and Non-Contact Athletes. Faculty. Magellan Orthopaedic Society Meeting. Lake Como, Italy. April/May 2012.
175. Education Chair. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine 8th Biennial Congress. Rio de Janeiro. May 2011.
176. Analysis of Evidence Based Medicine for Shoulder Instability. Faculty. 8th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Rio de Janeiro. May 2011.
177. Arthroscopic Debridement, Abrasion Arthroplasty and Microfracture. Faculty. 8th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Rio de Janeiro. May 2011.
178. Endoscopic Release of the Spinoglenoid Ligament: A Safe and Efficacious Alternative to an Open Approach. Faculty. 8th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Rio de Janeiro. May 2011.
179. Olympic Games: From Basic Science to the Gold Medal Pre-Course. Faculty. 8th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Rio de Janeiro. May 2011.
180. Non-Operative Treatment Including Injectables (cortico steroids hyaluronic acid). Faculty. 8th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Rio de Janeiro. May 2011.
181. Suprascapular Nerve Injury. Faculty. 8th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Rio de Janeiro. May 2011.
182. Surgical Techniques for Nerve Releases Above and Below the Spine of the Scapula (Suprascapular Nerve). Faculty. 8th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Rio de Janeiro. May 2011.
183. Treatment of Bursal-Sided Rotator Cuff Tears. Faculty. 8th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Rio de Janeiro. May 2011.

184. Ulnar Collateral Ligament Reconstruction – Elbow. Faculty. 8th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Rio de Janeiro. May 2011.
185. Current Concepts in Arthroscopic Treatment of Shoulder Instability. Invited Faculty. 10th Turkish Sports Traumatology Arthroscopy and Knee Surgery Congress. Antalya, Turkey. October 2010.
186. New Fixation Methods in Rotator Cuff Repair. Invited Faculty. 10th Turkish Sports Traumatology Arthroscopy and Knee Surgery Congress. Antalya, Turkey. October 2010.
187. Shoulder Instabilities Associated with Bone Defects. Invited Faculty. 10th Turkish Sports Traumatology Arthroscopy and Knee Surgery Congress. Antalya, Turkey. October 2010.
188. What is New in Rotator Cuff Repair? Invited Faculty. 10th Turkish Sports Traumatology Arthroscopy and Knee Surgery Congress. Antalya, Turkey. October 2010.
189. AC Joint Reconstruction: An Anatomic Method. Invited Faculty. Asian – Pacific Arthroscopy Workshop. Honolulu, HI. August 2010.
190. Rotator Cuff Repair Update 2010: Emerging Techniques. Invited Faculty. Asian – Pacific Arthroscopy Workshop. Honolulu, HI. August 2010.
191. Open Vs. Arthroscopic Tenodesis of the Biceps. Invited Faculty. Asian – Pacific Arthroscopy Workshop. Honolulu, HI. August 2010.
192. Analysis of Evidence Based Medicine for Shoulder Instability. Faculty. 14th European Society for Sports Traumatology, Knee Surgery and Arthroscopy Congress. Oslo, Norway. June 2010.
193. Patients Undergoing Lateral Unicondylar Knee Arthroplasty: Can We Guarantee Success and Return to Sport? Faculty. 14th European Society for Sports Traumatology, Knee Surgery and Arthroscopy Congress. Oslo, Norway. June 2010.
194. Coraco-Clavicular Reconstruction of the Chronic Unstable AC Joint. Faculty. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine Upper Extremity Consensus Meeting. Copenhagen, Denmark. June 2010.
195. The Role of the CC and AC Ligaments. Faculty. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine Upper Extremity Consensus Meeting. Copenhagen, Denmark. June 2010.
196. Anatomic Correlation of Overuse Elbow Injuries. Invited Faculty. Annual Meeting of the Mexican College of Orthopaedics. Mexico City, Mexico. May 2010.
197. Arthroscopic Synovectomy. Invited Faculty. Annual Meeting of the Mexican College of Orthopaedics. Mexico City, Mexico. May 2010.
198. Complex Shoulder and Elbow Cases. Round Table. Invited Faculty. Annual Meeting of the Mexican College of Orthopaedics. Mexico City, Mexico. May 2010.

199. Neurologic Injuries of the Upper Extremity in the Overhead Athlete. Instructional Course. Invited Faculty. Annual Meeting of the Mexican College of Orthopaedics. Mexico City, Mexico. May 2010.
200. Overuse Injuries of the Elbow. Instructional Course. Invited Faculty. Annual Meeting of the Mexican College of Orthopaedics. Mexico City, Mexico. May 2010.
201. Rheumatic Elbow. Instructional Course. Invited Faculty. Annual Meeting of the Mexican College of Orthopaedics. Mexico City, Mexico. May 2010.
202. Rotator cuff revision surgery. Instructional Course. Invited Faculty. Annual Meeting of the Mexican College of Orthopaedics. Mexico City, Mexico. May 2010.
203. Should a Re-Rupture be Re-Operated? Invited Faculty. Annual Meeting of the Mexican College of Orthopaedics. Mexico City, Mexico. May 2010.
204. Suprascapular Nerve Compression. Invited Faculty. Annual Meeting of the Mexican College of Orthopaedics. Mexico City, Mexico. May 2010.
205. AC Joint – Panel. Symposium. Faculty. 1st East Western Shoulder Congress. Cairo, Egypt. November 2009.
206. Arthroscopic Repair of Multidirectional Instability. Live Surgery. Faculty. 1st East Western Shoulder Congress. Cairo, Egypt. November 2009.
207. Arthroscopic Treatment of Frozen Shoulder. Live Surgery. Faculty. 1st East Western Shoulder Congress. Cairo, Egypt. November 2009.
208. Technique Arthroscopic Treatment of Frozen Shoulder. Faculty. 1st East Western Shoulder Congress. Cairo, Egypt. November 2009.
209. Complex Elbow Dislocations: What We Know and Surgical Approaches to Ensure Good Outcomes. Chair Symposia and Moderator. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. 7th Biennial Congress. Osaka, Japan. April 2009.
210. Elbow and Wrist. Presentation Moderator. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. 7th Biennial Congress. Osaka, Japan. April 2009.
211. Unicompartmental Knee Arthroplasty. Surgical Demo Moderator. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. 7th Biennial Congress. Osaka, Japan. April 2009.
212. Evaluation of Shoulder Scoring Systems: Evidence Based Medical Evaluation. Faculty. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Closed Consensus Meeting. Upper Extremity Current Concepts Meeting. Cancun, Mexico. June 2008.

213. Shoulder Instability: Open vs. Arthroscopic Treatment, Treatment Regimen with Evidence Based Medicine Analysis. Faculty. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Closed Consensus Meeting. Upper Extremity Current Concepts Meeting. Cancun, Mexico. June 2008.
214. Intertubercular vs Subpectoral Biceps Tenodesis: Techniques and Critical Evaluation. Faculty. Sociedad Latinoamericana de Artroscofia. 13th Rodilla y Traumatologia Deportiva. Cancun, Mexico. June 2008.
215. Shoulder Instability: Open vs. Arthroscopic Treatment. Faculty. Sociedad Latinoamericana de Artroscofia. 13th Rodilla y Traumatologia Deportiva. Cancun, Mexico. June 2008.
216. Lateral Unicondylar Knee Arthroplasty: Can We Guarantee Success and Return to Sport? Faculty. Osteoarthritis Research Society International. 2007 OARSI World Congress on Osteoarthritis. Ft. Lauderdale, Florida. December 2007.
217. Partial Thickness Rotator Cuff Tears: Controversies and Surgical Techniques. Speaker and Instructional Course Lecturer. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. 6th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Florence, Italy. May 2007.
218. Treatment of Arthritis in the Athletic Shoulder: Cartilage Restoration with Microfracture of the Glenoid. Speaker and Instructional Course Lecturer. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. 6th Biennial Congress International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Florence, Italy. May 2007.
219. One Incision Distal Biceps Repairs-Technique Using Anchors. Faculty. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Upper Extremity Current Concepts Meeting. Dallas, Texas. October 2006.
220. Subpectoral or Intertubercular Tenodesis. Faculty. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. Upper Extremity Current Concepts Meeting. Dallas, Texas. October 2006.
221. Advanced Concepts: Arthroscopic Rotator Cuff Repair. Guest Speaker. Argentine Arthroscopy Association. 9th International Congress. Buenos Aires, Argentina. June 2006.
222. Microfracture-Long Term Results. Guest Speaker. Argentine Arthroscopy Association. 9th International Congress. Buenos Aires, Argentina. June 2006.
223. Posterior Shoulder Pain: The spinoglenoid Ligament-A New Arthroscopic Technique for Release. Guest Speaker. Argentine Arthroscopy Association. 9th International Congress. Buenos Aires, Argentina. June 2006.
224. Unicondylar Knee Replacement. Guest Speaker. Argentine Arthroscopy Association. 9th International Congress. Buenos Aires, Argentina. June 2006.
225. Spinoglenoid Ligament: Anatomy, Morphology, Histology with Clinical Correlations. Eastern and Southern Orthopaedic Associations. Dublin, Ireland. August 2003.

226. Spinoglenoid Ligament: Anatomy, Morphology, Histology with Clinical Correlations. International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine. 4th Biennial Congress. Auckland, New Zealand. March 2003.
227. Articular Cartilage Injuries of the Knee: A Comparison of Arthroscopy with Magnetic Resonance Imaging. International Cartilage Repair Society. 4th Symposium. Toronto, Canada. June 2002.
228. Latest Clinical Evidences in the Management of Pain. Bermuda Underwater Exploration Institute. Sponsored by Merck. Bermuda. April 2002.
229. Wrist Injuries in Overhead Sports. 15th Annual Conference on Exercise and Sports Medicine. San Juan, Puerto Rico. March 2001.
230. Comparison of Statically and Non-Statically Locked IM Rodding and Compression Plating in Midshaft Forearm Fractures. European Society of Sports Traumatology Knee Surgery and Arthroscopy. London, United Kingdom. September 2000.
231. The Spinoglenoid Ligament: Anatomy, Morphology, Histology, and Clinical Relevance with Arthroscopic Release. European Society of Sports Traumatology Knee Surgery and Arthroscopy. London, United Kingdom. September 2000.
232. Volumetric Change in the Shoulder Capsule after Open Inferior Capsular Shift versus Thermal Capsular Shrinkage: A Cadaveric Model. European Society of Sports Traumatology Knee Surgery and Arthroscopy. London, United Kingdom. September 2000.
233. Comparison of Statically and Non-Statically Locked IM Rodding and Compression Plating in Midshaft Forearm Fractures. The World Congress on Orthopaedic Sports Trauma Conference. Gold Coast, Queensland, Australia. April 2000.
234. Infrapatellar Branches of the Saphenous Nerve: Relationship to ACL Arthroscopy Portals and Incisions. The World Congress on Orthopaedic Sports Trauma Conference. Gold Coast, Queensland, Australia. April 2000.
235. The Rotator Interval and Defect: Quantification of Its' Dimensions in a Dynamic Model. The World Congress on Orthopaedic Sports Trauma Conference. Gold Coast, Queensland, Australia. April 2000.
236. Infrapatellar Branches of the Saphenous Nerve: Relationship to ACL Arthroscopy Portals and Incisions Magellan Society Conference. Gold Coast, Queensland, Australia. April 2000.
237. The Spinoglenoid Ligament: Anatomy, Morphology, Histology, and Clinical Relevance with Arthroscopic Release. Magellan Society Conference. Gold Coast, Queensland, Australia. April 2000.
238. Volumetric Change in the Shoulder Capsule after Open Inferior Capsular Shift versus Thermal Capsular Shrinkage: Cadaveric Model. Magellan Society Conference. Gold Coast, Queensland, Australia. April 2000.

239. Anterior Cruciate Ligament and Anterior Knee Surgery Made Safer: an Anatomic Morphologic Study of the Infrapatellar Branch of the Saphenous Nerve. Magellan Society Conference. Banff Springs, Canada. July 1998.
240. Staged Reconstruction of the Index Metacarpal in the Treatment of Chronic Osteomyelitis. 7th Congress of the International Federation of Societies for Surgery of the Hand. The Future at Hand. Vancouver, Canada. May 1998.
241. Arthroscopy of the Wrist, Diagnosis and Treatment of TFCC Lesions - Anterior Cruciate Ligament Reconstructions in Patients over the Age of 40 Years. Combined Congress of the Asian Pacific Orthopaedic Society for Sports Medicine and the Knee and Orthopaedic Sports Medicine Section of the Western Pacific Orthopaedic Association. Samsung Medical Center, Seoul, Korea. November 1997.
242. Correlation of MRI with Arthroscopic Findings in Patients with Chondral Lesions. Is There a Use for MRI Preoperatively? Combined Congress of the Asian Pacific Orthopaedic Society for Sports Medicine and the Knee and Orthopaedic Sports Medicine Section of the Western Pacific Orthopaedic Association. Samsung Medical Center, Seoul, Korea. November 1997.
243. The Role of the Rotator Interval in Anterior Instability - Does It Exist? Rotator Interval Quantification and Investigation of Underlying Gleno-pathology and Anterior Instability. Combined Congress of the Asian Pacific Orthopaedic Society for Sports Medicine and the Knee and Orthopaedic Sports Medicine Section of the Western Pacific Orthopaedic Association. Samsung Medical Center, Seoul, Korea. November 1997.
244. Correlation of MRI with Arthroscopic Findings in Patients with Chondral Lesions of the Knee. Is There a Use for an MRI Preoperatively? Special Joint Meeting of the Pacific Orthopaedic Association and the Pacific Orthopaedic Sports Medicine Society. Manila, Philippines. October 1997.
245. The Rotator Interval in Defect: Quantification of Its Dimensions in a Dynamic Model with Correlation of Underlying Joint Pathology. Special Joint Meeting of the Pacific Orthopaedic Association and the Pacific Orthopaedic Sports Medicine Society. Manila, Philippines. October 1997.
246. The Role of the Rotator Interval in Anterior Instability - Does It Exist? Taiwan Orthopaedic Association. 4th Combined Annual Meeting with the Royal Western Pacific Orthopaedic College. Siriraj Hospital, Bangkok, Thailand. October 1997.
247. Arthroscopy of the Wrist: Diagnosis and Treatment of TFCC Lesions. Taiwan Orthopaedic Association. 4th Combined Annual Meeting with the Royal Western Pacific Orthopaedic College. Pattaya City, Thailand. October 1997.
248. Women in Sports. International Sports Medicine Symposium. Columbus, Georgia. July 1997.
249. **Plancher KD**, Steadman JR, Briggs K. Anterior Cruciate Ligament Reconstruction in Patient's Over 40. International Society of Arthroscopy, Knee Surgery, and Sports Medicine. Buenos Aires, Argentina. May 1997.

250. Palpation of Subacromial Space. 2nd World Congress on Sports Trauma/American Orthopaedic Society for Sports Medicine. 22nd Annual Conference. Lake Buena Vista, Florida. June 1996.
251. Arthroscopic Subacromial Decompression with Associated Digital. 2nd World Congress on Sports Trauma/American Orthopaedic Society for Sports Medicine. 22nd Annual Conference. Lake Buena Vista, Florida. June 1996.
252. **Plancher KD**, Hawkins RJ. Skier's Thumb: Use of the MRI with Surgical Correlation in Detecting Stener Lesion. International Federation of Societies for Surgery of the Hand. 6th Congress. Helsinki, Finland. July 1995.
253. Traumatic Dislocation of the Knee: Complications and Results of Operative and Nonoperative Treatment. German, Swiss, Austrian Trauma Meeting. Vienna, Austria. May 1991.
254. Traumatic Dislocation of the Knee: Complications and Results of Operative and Nonoperative Treatment. The Orthopaedic Trauma Association Meeting. Toronto, Canada. September 1990.

54. Moderator: Effective Meetings Webinar. American Academy of Orthopaedic Surgeons. Virtual. June 2021
55. The Aging Athletes Knee: How to Keep Grandma Running on her own Knees. ACSM 68th Annual Meeting, World Congress on Exercise in Medicine and World Congress on the Basic Science of Exercise in Regenerative Medicine Combined Meeting. Virtual. June 2021.
56. Let's Talk Shoulder. Part 1. ACSM 68th Annual Meeting, World Congress on Exercise in Medicine and World Congress on the Basic Science of Exercise in Regenerative Medicine Combined Meeting. Virtual. June 2021.
57. Let's Talk Shoulder. Part 2. ACSM 68th Annual Meeting, World Congress on Exercise in Medicine and World Congress on the Basic Science of Exercise in Regenerative Medicine Combined Meeting. Virtual. June 2021.
58. Sports & Hand Review. Maine Orthopaedic Review Course. Sport and Hand Review. Waterville, Maine. Virtual. June 2021.
59. Sports Shoulder, Elbow, Wrist. Maine Orthopaedic Review Course. Sports, Shoulder, Elbow Wrist Review. Waterville Maine. Virtual. June 2021.
60. AANA Fellowship Education Webinar - Orthopedic Business Issues: Billing and Coding, Contracting, Social Media/Patient Relations and Marketing. Virtual. June 2021
61. The Business and Legal Principles of Arthroplasty in the ASC. AAHKS Webinar. Virtual. March 2021.
62. Virtual Education in Contemporary Times: What Works and What Doesn't? American Academy of Orthopaedic Surgeons (AAOS) Webinar. Virtual. March 2021.
63. Surgical Therapy for Knee OA. SIR Foundation Research Consensus Panel "Percutaneous Management of Osteoarthritis in the Knee." Virtual. January 2021.
64. What Therapies? Where Does IR Fit? What Influences Referrals? What Are Regulatory and/or Reimbursement Issues. Moderator. SIR Foundation Research Consensus Panel "Percutaneous Management of Osteoarthritis in the Knee." Virtual. January 2021.
65. When You Hear Hoofbeats, Don't Forget About Zebras. Co Breakout Room Facilitator. American Association for Hand Surgery Annual Meeting. AAHS Virtual Webinar Series. January 2021.
66. The Art of Dancing In The Rain: Never Getting Wet - Patient Expectations & Perfect Execution. Orthopaedic Summit: Evolving Techniques. Digital. December 2020.

67. Clinical Case Presentations Questions & Answers: When Things Go Bad: Problems & Complications We All See - Younger Athletes Through The Weekend Warrior. Case Panelist. Orthopaedic Summit: Evolving Techniques. Digital. December 2020.
68. Evolving Technique Update Panel: 46-Year-Old Wall Street Banker With Too Much Money To Burn, Knows It All, Spoke With Dr. Google, Wants To Still Play Basketball With His 18-Year Old Son - What I Use Long Acting Corticosteroids Are The Answer, My Colleagues. Panelist. Orthopaedic Summit: Evolving Techniques. Digital. December 2020.
69. **Plancher KD**, Jimenez-Gonzalez A, Briggs K, Plassche GC, Petterson SC. Medial Unicompartmental Knee Arthroplasty: Should We Correct to Neutral?" 30th AAHKS Annual Meeting. November 2020. Dallas, Texas.
70. Remplissage: Easy and All-arthroscopic! 9th Annual ICJR Shoulder Course. Las Vegas, Nevada. Virtual. October 2020.
71. Massive Irreparable Rotator Cuff Tear. Moderator. 9th Annual ICJR Shoulder Course. Las Vegas, Nevada. Virtual. October 2020.
72. ICL Moderator. The Massive Rotator Cuff Tear: Too Many Options, I Want Answers – An Algorithm for Success. Annual Meeting. American Shoulder & Elbow Surgeons. New York, New York. Virtual. October 2020
73. Eradication of Pain Following Successful Massive Rotator Cuff Repair. Annual Meeting. American Shoulder & Elbow Surgeons. New York, New York. Virtual. October 2020
74. Business of Orthopaedics: Industry, Design Teams, Intellectual Property, Contract Negotiations, Academic vs. Private. Mid- Atlantic Shoulder Elbow Society. Washington DC. September 2020. (Canceled due to COVID-19)
75. The Business of Medicine: Hospital-Based, Academic, Private Practice – Learning How To Succeed. American Orthopaedic Society for Sports Medicine. ICL Chair. Seattle, Washington. Virtual. July 2020.
76. Contract Negotiation, Choosing a Job, and Starting in Practice: Recommendations & What NOT to Do. American Orthopaedic Society for Sports Medicine Fellows Course. Rosemont, Illinois. Virtual. July 2020.
77. Lab Instructor. Knee Lab. American Orthopaedic Society for Sports Medicine Fellows Course. Rosemont, Illinois. Virtual. July 2020.
78. Lab Instructor. Shoulder Lab. American Orthopaedic Society for Sports Medicine Fellows Course. Rosemont, Illinois. Virtual. July 2020.
79. Primary ACL Repair: An Old Concept Newly “Weaponized” with Technique Video. AANA SOMOS Knee Course. Rosemont, Illinois. July 2020. (Canceled due to COVID-19).
80. Chair. AANA Advanced Comprehensive Knee Course. Rosemont, Illinois. June 2020. (Canceled due to COVID-19).

81. Osteochondral Allografts: My Indications, Pearls and Results. AANA Advanced Comprehensive Knee Course. Rosemont, Illinois. June 2020. (Canceled due to COVID-19).
82. ACL Graft Selection: Evidence-Based Recommendations. AANA Advanced Comprehensive Knee Course. Rosemont, Illinois. June 2020. (Canceled due to COVID-19).
83. Panelist: State of the Art in Treating ACL Injuries: What Would You Do? AANA Advanced Comprehensive Knee Course. Rosemont, Illinois. June 2020. (Canceled due to COVID-19).
84. Panelist: Roundtable Discussion, Interesting Cases from Home. AANA Advanced Comprehensive Knee Course. Rosemont, Illinois. June 2020. (Canceled due to COVID-19).
85. Sports & Hand Review. Maine Orthopaedic Review Course. Sport and Hand Review. Waterville, Maine. Virtual. June 2020.
86. Sports Shoulder, Elbow, Wrist. Maine Orthopaedic Review Course. Sports, Shoulder, Elbow Wrist Review. Waterville Maine. Virtual. June 2020.
87. The Art of Dancing In The Rain: Never Getting Wet - Patient Expectations & Perfect Execution. The West Regional SwiftPath Annual Meeting. Kirkland, WA. June 2020.
88. Chair. AANA-ISAKOS Partner Society ICL: Optimizing Meniscus Repair in 2020: Case-Based Video Vignettes - Tips, Tricks and Techniques. AANA Annual Meeting. Grapevine, Texas. May 2020. (Canceled due to COVID-19).
89. **Plancher KD**, Briggs K, Petterson SC. Repair of Lateral Meniscus Tears in ACLR Ensures Low Rate of OA Compared to Meniscectomy at Nine Years. AANA Annual Meeting. Virtual. Grapevine, Texas. May 2020.
90. Speed Mentoring for Residents. Annual Meeting American Academy of Orthopaedic Surgeons. Orlando, Florida. March 2020. (Canceled due to COVID-19).
91. The Business of Medicine: Hospital-Based, Academic, Private Practice - Learning How to Succeed. Annual Meeting American Academy of Orthopaedic Surgeons. Orlando, Florida. Virtual. March 2020.
92. Controversial Topics in Primary Total Knee Arthroplasty: Experts vs. Evidence. Annual Meeting American Academy of Orthopaedic Surgeons. Orlando, Florida. Virtual. March 2020.
93. Moderator. Knee Cartilage, Meniscus and Biologics - Meniscus/Cartilage Case Panel: What Would You Do? 2020 AOSSM/AANA Specialty Day. Orlando, Florida. March 2020. (Canceled due to COVID-19).
94. Surgery of the Wrist & Elbow - What you Will Need to Know to Make Your Practice Go From Good to Great. 2020 ASSH/AAHS Specialty Day. Orlando, Florida. March 2020. (Canceled due to COVID-19).

95. Evolving Technique: Lateral Unicondylar Knee Arthroplasty In A 52-Year-Old Ski Patroler: Let Me Show You How - Watch Him Save People's Lives. Orthopaedic Summit: Evolving Techniques. Las Vegas, Nevada. December 2019.
96. A New Kid On The Block A Long-Acting Steroid - What Is The Science, Who Do You Use It In, I Have Been Amazed. Orthopaedic Summit: Evolving Techniques. Las Vegas, Nevada. December 2019.
97. Patellar Tendon: It Works For The Pros, Why Are You Trying Something New? Razzle Dazzle? Orthopaedic Summit: Evolving Techniques. Las Vegas, Nevada. December 2019.
98. Decision Making on the Partial Rotator Cuff Tear. Boston Sports Medicine Symposium. Newtown, Massachusetts. November 2019.
99. Rotator Cuff Panel. Boston Sports Medicine Symposium. Newtown, Massachusetts. November 2019.
100. Injections Before Surgery – What is the Truth? Boston Sports Medicine Symposium. Newtown, Massachusetts. November 2019.
101. The Complex Shoulder Panel: Boston Sports Medicine Symposium. Newtown, Massachusetts. November 2019.
102. ACL Reconstruction: Allograft or Autograft. Boston Sports Medicine Symposium. Newtown, Massachusetts. November 2019.
103. Atrophy of the Rotator Cuff, What I Do. 8th Annual ICJR Shoulder Course. Las Vegas, Nevada. November 2019.
104. An Arthroscopist's Journey to Becoming an Arthroplasty Surgeon. 8th Annual ICJR Shoulder Course. Las Vegas, Nevada. November 2019.
105. Panel: Worst Case of My Career: What Went Wrong and What I Did. 8th Annual ICJR Shoulder Course. Las Vegas, Nevada. November 2019.
106. Reverse – The Way to Go. 8th Annual ICJR Shoulder Course. Las Vegas, Nevada. November 2019.
107. Subscapularis Peel vs. Tenotomy vs. Lesser Tuberosity Osteotomy. 8th Annual ICJR Shoulder Course. Las Vegas, Nevada. November 2019.
108. Rapid Fire Shoulder Cases: Putting it Together. 8th Annual ICJR Shoulder Course. Las Vegas, Nevada. November 2019.
109. Ultrasound and In-Office Arthroscopy: How Do I Use It In The Clinic? 50th Annual Meeting. Eastern Orthopaedic Association. Palm Beach, Florida. October 2019.
110. High Yield Sports Medicine. 50th Annual Meeting. Eastern Orthopaedic Association. Palm Beach, Florida. October 2019.

111. **Plancher KD**, Kempegowda H, Petterson SC. Avoiding Failures and Functional Outcomes in Contact Versus Non-Contact Athletes Following Arthroscopic Bankart Repair. 50th Annual Meeting Eastern Orthopaedic Association. Palm Beach, Florida. October 2019.
112. **Plancher KD**, Kempegowda H, Petterson SC. Failure Rate in Patients with Degenerative Patellofemoral Joint Who Undergo Unicompartmental Knee Arthroplasty. 50th Annual Meeting Eastern Orthopaedic Association. Palm Beach, Florida. October 2019.
113. Business School for the Sports Medicine Practitioner. 2019 Annual Meeting. American Orthopaedic Society for Sports Medicine. Boston, Massachusetts. July 2019.
114. Treatment of Cartilage Injuries in the Middle Age Athlete and Ability to Return to Sports. 2019 Annual Meeting. American Orthopaedic Society for Sports Medicine. Boston, Massachusetts. July 2019.
115. Contract Negotiation, Choosing a Job, and Starting in Practice: Recommendations & What NOT to Do. American Orthopaedic Society for Sports Medicine Fellows Course. Rosemont, Illinois. July 2019.
116. Core Values. Moderator. National Orthopaedic Leadership Conference. Washington, DC. June 2019.
117. Sports & Hand Review. Maine Orthopaedic Review Course. Sport and Hand Review. Waterville, Maine. June 2019.
118. Sports Shoulder, Elbow, Wrist. Maine Orthopaedic Review Course. Sports, Shoulder, Elbow Wrist Review. Waterville Maine. June 2019.
119. Keynote Address: Value-Based Care—A Call to Action for Surgeon Innovators. West Regional SwiftPath Annual Meeting. Kirkland, Washington. June 2019.
120. Treating Shoulder Degenerative Arthritis in the Young Athlete - Incorporating Shoulder Arthroplasty? - "Can You Avoid Metal in the Shoulder? Injections & Orthobiologics - PRP, Stem Cells, Growth Factors are the Future!" Faculty. Arthroscopy Association of North America. Orlando, Florida. May 2019.
121. Can You Avoid a TSA? Orthobiologics: PRP, Stem Cells, Growth Factors Are The Future! 2019 Annual Meeting. Arthroscopy Association of North America. Orlando, Florida. May 2019.
122. **Plancher KD**, Petterson SC. Return to Play and Failure Rates in Arthroscopic Bankart Repair in Contact Athletes. 2019 Annual Meeting. Arthroscopy Association of North America. Orlando, Florida. May 2019.
123. Things You Never Thought of that Make a Difference: A Speed Mentoring Program. 2019 Annual Meeting American Academy of Orthopaedic Surgeons. Las Vegas, Nevada. March 2019.
124. Implications of Injections Within 3 Months of Total Knee Replacement. CME Symposium. 2019 Annual Meeting American Academy of Orthopaedic Surgeons. Las Vegas, Nevada. March 2019.

125. Panelist: The Case of the 51-Year-Old with a Failed Large to Massive Cuff Tear. AANA/AOSSM Specialty Day. 2019 Annual Meeting American Academy of Orthopaedic Surgeons. Las Vegas, Nevada. March 2019.
126. Move Over PRP/Viscosupplementation: Amniotic Stem Cells Are In! And Why You Need to Jump on Board! Articular Cartilage Course. Rosemont, Illinois. February 2019.
127. Panelist: Management and Decision-Making: A Case Based Approach. Articular Cartilage Course. Rosemont, Illinois. February 2019.
128. Biological Injections: Where are we at in 2019 with PRP and HA. Articular Cartilage Course. Rosemont, Illinois. February 2019.
129. Moderator: Live Surgical Demonstration – Amniotic Allografts for Cartilage Defects. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
130. Moderator: 2019 Update: Novel Techniques. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
131. Demonstrator: Live Surgical Demonstration. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
132. Lab Leader: OLC Lab Goals: To Complete Any Osteotomies and Perform a Medial/Lateral UKA. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
133. Lab Instructor: OLC Lab Goals: To Successfully Perform In Office Arthroscopy, Meniscal Repair, Arthroscopic Chondroplasty, Microfracture, Utilizing Osteochondral Fixation Devices and Osteochondral Autograft Implantation. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
134. Lab Instructor / OLC Lab Goals: To Successfully Perform Coblation, Osteochondral Allografting and ACI Harvest with Implantation and Finish Any Osteochondral Autograft Implantation. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
135. Lab Instructor / OLC Lab Goals: Patellofemoral Joint Grafting and Meniscal Allograft Transplantation, and Finish Any Incomplete Morning Labs. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
136. Lab Instructor / OLC Lab Goals: To Successfully Perform Tibial Osteotomy. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
137. Lab Instructor / OLC Lab Goals: Perform Juvenile Allograft Articular Cartilage Allografting for Patella and Femoral Defects, and Complete any Other Procedures. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.

138. Moderator / 2019 Update: Novel Techniques. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
139. Surgical Demonstrator / Live Surgical Demonstration: Fixed Bearing UKA (Smith & Nephew). American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
140. Lab Instructor / OLC Lab Goals: Perform a Medial/Lateral UKA and Complete Any Tibial Osteotomy and Patellofemoral Resurfacing. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
141. Lab Instructor / OLC Lab Goals: Perform an MPFL Reconstruction and Complete any Osteotomy or Other Procedures. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
142. Panelist: Case Studies and Q & A from the Faculty. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
143. Panelist: My Most Difficult Cases and How I Solve Them: A Case Based Panel Discussion. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
144. Lab Instructor / OLC Lab Goals: Perform Osteotomies including Femoral Osteotomy. American Academy of Orthopaedic Surgeons Articular Cartilage Course. Rosemont, Illinois. February 2019.
145. Understanding SLAP Tears and Bicep Injuries in Lacrosse Players: Fix, Cut, or Tenodesis? Major League Lacrosse Medical Conference. New York, New York. January 2019.
146. Major League Lacrosse: 2017/2018 Injury Summary. Major League Lacrosse Medical Conference. New York, New York. January 2019.
147. Large/Massive Rotator Cuff Tears: New Concepts, Difficult Problems, Making Patients Better. New Hampshire Musculoskeletal Institute. Manchester, New Hampshire. January 2019.
148. Opioid Use and Abuse Following Arthroscopic Procedures: Is This Part of the National Crisis? New Hampshire Musculoskeletal Institute. Manchester, New Hampshire. January 2019.
149. Evolving Technique Update: The All-Inside ACL Reconstruction: Have We Gone Too Low On The Wall. Orthopaedic Summit: Evolving Techniques. Las Vegas, Nevada. December 2018.
150. Evolving Technique: Lateral UKA Makes the Difference in Young Patients With Return To Sports. Orthopaedic Summit: Evolving Techniques. Las Vegas, Nevada. December 2018.
151. New Injectables from Orthobiologics to Steroids in 5 Minutes. Orthopaedic Summit: Evolving Techniques. Las Vegas, Nevada. December 2018.
152. Section Moderator: The Future of Intertrochanteric Hip Fractures. Orthopaedic Summit: Evolving Techniques. Las Vegas, Nevada. December 2018.

153. Debate Moderator: Mini-Debate: 17-Year-Old Lacrosse Player With A Comminuted Proximal To Mid-Third Closed Clavicle Fracture. Orthopaedic Summit: Evolving Techniques. Las Vegas, Nevada. December 2018.
154. Bone Loss and the Role of Remplissage. Boston Shoulder and Sports Symposium. Boston, Massachusetts. November 2018.
155. Opioid Use and Abuse Following Arthroscopic Procedures: Are We a Part of the National Crisis? Boston Shoulder and Sports Symposium. Boston, Massachusetts. November 2018.
156. Opioid Use and Abuse Following Arthroscopic Procedures: Solving the National Crisis Together? Boston Shoulder and Sports Symposium. Boston, Massachusetts. November 2018.
157. Evaluating Bone Loss and the Role of the Remplissage. Boston Shoulder and Sports Symposium. Boston, Massachusetts. November 2018.
158. Atrophy of the Rotator Cuff: What I Do, 7th Annual ICJR Shoulder Course. Las Vegas, Nevada. November 2018.
159. An Arthroscopist's Journey to Becoming an Arthroplasty Surgeon. 7th Annual ICJR Shoulder Course. Las Vegas, Nevada. November 2018.
160. Current Evidence for Use of Biologics Including Amniotic in Shoulder and Elbow. University of Colorado, Fall Sports Medicine Symposium. Boulder, Colorado. October 2018.
161. Failed Instability Surgery: An Algorithm on How to Succeed. University of Colorado, Fall Sports Medicine Symposium. Boulder, Colorado. October 2018.
162. Lateral Epicondylitis: How Can We Make It Better. University of Colorado, Fall Sports Medicine Symposium. Boulder, Colorado. October 2018.
163. Posterior Shoulder Pain: "The Hidden Lesion". University of Colorado, Fall Sports Medicine Symposium. Boulder, Colorado, October 2018.
164. Moderator: ABOS Update, AAOS Town Meeting. 49th Annual Meeting Eastern Orthopaedic Association. Amelia Island, Florida. October 2018.
165. Moderator: Maintenance of Certification and Update in Orthopaedics: The Giants Review. 49th Annual Meeting Eastern Orthopaedic Association. Amelia Island, Florida. October 2018.
166. Biologics. 49th Annual Meeting Eastern Orthopaedic Association. Amelia Island, Florida. October 2018.
167. Moderator: Presidential Address. 49th Annual Meeting Eastern Orthopaedic Association. Amelia Island, Florida. October 2018.
168. Panel Discussion. I'm Not Scared: Your Guide to Outpatient vs. Inpatient Shoulder Replacement: PT or NO PT; Surgeon and Therapist; Application Based Therapy. Mid-Atlantic Shoulder and Elbow Society. Washington, DC. September 2018.

169. Panel Discussion. Regenerative Medicine Options in Athletes: Medicine or Myth. Mid-Atlantic Shoulder and Elbow Society. Washington, DC. September 2018.
170. Return to Play after an ACL Injury. Western Orthopaedic Association (WOA). Snowmass, Colorado. August 2018.
171. Panel Discussion. Symposium 2 – Surviving Hand Call for Non-Hand Specialist – A Case Based Session. Western Orthopaedic Association (WOA). Snowmass, Colorado. August 2018.
172. Scapulothoracic Arthroscopy: Snapping, Grinding and Entrapment. AANA/SOMOS. Rosemont, Illinois. August 2018.
173. Case Presentation Panel. AANA/SOMOS. Rosemont, Illinois. August 2018.
174. Business School for the Sports Medicine Practitioner. 2018 Annual Meeting. American Orthopaedic Society for Sports Medicine. San Diego, California. July 2018
175. Cartilage Injuries in the Middle-Aged Athlete and Return to Pivoting Sports: A Case Based Approach. 2018 Annual Meeting. American Orthopaedic Society for Sports Medicine. San Diego, California. July 2018.
176. Moderator: Business of Sports Medicine. 2018 Annual Meeting. American Orthopaedic Society for Sports Medicine. San Diego, California. July 2018.
177. Signing Contracts and Getting Your First Job: Recommendations and What Not To Do. American Orthopaedic Society for Sports Medicine Fellows Course. Rosemont, Illinois. July 2018.
178. Sports & Hand Review. Maine Orthopaedic Review Course. Sport and Hand Review. Waterville, Maine. June 2018.
179. Sports Shoulder, Elbow, Wrist. Maine Orthopaedic Review Course. Sports, Shoulder, Elbow Wrist Review. Waterville Maine. June 2018.
180. Treatment of the Young Arthritic Shoulder: New Options and What Works. Hawkins Society. Hilton Head Island, SC. May 2018.
181. Opioid Use and Abuse Following Arthroscopic Procedures: Is this Part of the National Crisis? Hawkins Society. Hilton Head Island, SC. May 2018.
182. Upper Extremity Sports. Miller Review Course. Upper Extremity Sports. Denver, Colorado. May 2018.
183. Featured Lecture: Opioid Use and Abuse Following Arthroscopic Procedures: Is this Part of the National Crisis? AANA Annual Meeting. Chicago, Illinois. April 2018.
184. Petterson SC, Gonzalez AJ, **Plancher KD**. Medial Unicompartmental Knee Arthroplasty and Alignment: Should We Correct to Neutral? Orthopaedic Research Society (ORS). New Orleans, Louisiana. March 2018.

185. Orthobiologics: The Future of Orthopaedics for Articular Cartilage Defects of the Knee. Orthopaedic Summit: Evolving Techniques. Las Vegas, Nevada. December 2017.
186. The Young Patient, Controversy & The Battle Ground: Lateral Unicondylar Arthroplasty Makes the Difference & Return to Sport. Orthopaedic Summit: Evolving Techniques. Las Vegas, Nevada. December 2017.
187. Arthroscopic Debridement Alone Works Fine. ICJR 6th Annual Shoulder Course. Las Vegas, Nevada. November 2017.
188. Diagnosis and Treatment of Posterior Instability. ICJR 6th Annual Shoulder Course. Las Vegas, Nevada. November 2017.
189. Engaging Hill Sachs Lesions – Latarjet or Remplissage? ICJR 6th Annual Shoulder Course. Las Vegas, Nevada. November 2017.
190. Moderator: How I Do It. ICJR 6th Annual Shoulder Course. Las Vegas, Nevada. November 2017.
191. Arthroscopic Bankart. ICJR 6th Annual Shoulder Course. Las Vegas, Nevada. November 2017.
192. MDI - Balance the Capsule. Annual Boston Sports Medicine Symposium. Newton, Massachusetts. November 2017.
193. Case Panel - Questions & Answers. Annual Boston Sports Medicine Symposium. Newton, Massachusetts. November 2017.
194. Panel Discussions - Case Studies. Annual Boston Sports Medicine Symposium. Newton, Massachusetts. November 2017.
195. Large/Massive Rotator Cuff Tears: New Concepts, Difficult Problems, Making Patients Better. New England Orthopaedic Society Fall Meeting. Waltham, Massachusetts. November 2017.
196. Controversies in ACL Surgery: Getting Anatomic, The Role of Allografts, Why Bone-Patella-Bone & Decelerated Rehab Programs. New England Orthopaedic Society Fall Meeting. Waltham, Massachusetts. November 2017.

411. Biceps Tenodesis - Groove vs. Subpectoralis. Faculty. Arthroscopic Surgery 2010 Robert W. Metcalf, MD Memorial Meeting. Sun Valley, ID. January/February 2010.
412. Nerve Pain in the Shoulder "It is Seeing You". Faculty. Arthroscopic Surgery 2010 Robert W. Metcalf, MD Memorial Meeting. Sun Valley, Idaho. January/February 2010.

413. Epicondylitis: Anatomy, Pathophysiology & Clinical Experience. Keynote Speaker. Sooner Sports Symposium. Norman, Oklahoma. January 2010.
414. Nerve Entrapment Syndromes in the Upper Extremity. Keynote Speaker. Sooner Sports Symposium. Norman, Oklahoma. January 2010.
415. Posterior Shoulder Pain: Suprascapular Nerve Etiology & A New Technique for Release. Keynote Speaker. Sooner Sports Symposium. Norman, Oklahoma. January 2010.
416. Triangular Fibrocartilage Lesions: Anatomy, Pathology, Techniques, Pearls & Pitfalls. Keynote Speaker. Sooner Sports Symposium. Norman, Oklahoma. January 2010.
417. Triangular Fibrocartilage Lesions: Repair and Debridement. Wrist/Elbow Lecture Co-Chairman. Arthroscopy Association of North America. 2009 Fall Course. Palm Desert, California. November 2009.
418. Arthroscopic Debridement (Shoulder). Guest Speaker. American Osteopathic Academy of Orthopaedics. Annual Meeting. Boston, Massachusetts. October 2009.
419. Total Shoulder. Guest Speaker. American Osteopathic Academy of Orthopaedics. Annual Meeting. Boston, Massachusetts. October 2009.
420. Adhesive Capsulitis and Capsular Releases, Master Instructor. Arthroscopy Association of North America. Masters Experience: Arthroscopic Surgical Skills Series – Shoulder Arthroscopy. Rosemont, Illinois. October 2009.
421. Advanced Shoulder Arthroscopy. Master Instructor. Arthroscopy Association of North America. Masters Experience: Arthroscopic Surgical Skills Series – Shoulder Arthroscopy. Rosemont, Illinois. October 2009.
422. Arthroscopic Rotator Cuff Repair: Basic Technique and Making the Transition. Master Instructor. Arthroscopy Association of North America. Masters Experience: Arthroscopic Surgical Skills Series – Shoulder Arthroscopy. Rosemont, Illinois. October 2009.
423. Glenoid Bone Loss in Shoulder Instability. Master Instructor. Arthroscopy Association of North America. Masters Experience: Arthroscopic Surgical Skills Series – Shoulder Arthroscopy. Rosemont, Illinois. October 2009.
424. How to Evaluate and Create a Successful Comprehensive Sports Medicine Practice. Faculty. Young Sports Medicine Workshop. American Orthopaedic Society for Sports Medicine. Annual Meeting. Keystone, Colorado. July 2009.
425. Panel 5 – Upper Extremity. Oral Examiner. American Board of Orthopaedic Surgery. Oral Examinations 2009. Chicago, Illinois. July 2009.
426. Wrist and Elbow Arthroscopy Course. Associate Master Instructor. Arthroscopy Association of North America. Masters Experience: Arthroscopic Surgical Skills Series – Wrist and Elbow Arthroscopy. Rosemont, Illinois. June 2009.

427. Carpal Instability. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2009.
428. Flexor & Extensor Tendon Injuries. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2009.
429. Sports Medicine: Elbow. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2009.
430. Sports Medicine: Shoulder. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2009.
431. Elbow and Wrist. Session Moderator. Arthroscopy Association of North America 28th Annual Meeting. San Diego, CA. April/May 2009.
432. Rotator Cuff Mastery. Lab Instructor – Surgical Demo. American Academy of Orthopaedic Surgeons. Annual Meeting. Las Vegas, Nevada. February/March 2009.
433. Infections of the Hand. Instructional Course Lecturer. American Association for Hand Surgery. 39th Annual Scientific Meeting. Maui, Hawaii. January 2009.
434. Snapping Scapula: Symptomatic Scapulothoracic Crepitus and Bursitis. Co-Chair, Elbow Course. Arthroscopy Association of North America. 27th Annual Fall Course. Phoenix, Arizona. November 2008.
435. TFCC Lesions: Repair and Debridement. Co-Chair, Elbow Course. Arthroscopy Association of North America. 27th Annual Fall Course. Phoenix, Arizona. November 2008.
436. The Rotator Cuff Deficient Shoulder: Management Techniques. Symposium - Moderator. Eastern Orthopaedic Association. 39th Annual Meeting. Las Vegas, Nevada. October 2008.
437. Transitioning to Arthroscopic Rotator Cuff Repair. Associate Master Instructor and Lab Instructor. Arthroscopy Association of North America. Masters Experience: Arthroscopic Surgical Skills Series - Advanced Shoulder Arthroscopy. Rosemont, Illinois. August 2008.
438. Arthroscopic Contracture Release – Debate: Pro – Point Counter Point. Faculty. American Society for Surgery of the Hand. Wrist and Elbow Arthroscopy and Reconstruction Course. Rosemont, Illinois. August 2008.
439. Arthroscopic Epicondylar Lateral Release. Faculty. American Society for Surgery of the Hand. Wrist and Elbow Arthroscopy and Reconstruction Course. Rosemont, Illinois. August 2008.
440. Carpal Instability. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2008.
441. Flexor & Extensor Tendon Injuries. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2008.

442. Sports Medicine: Elbow. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2008.
443. Sports Medicine: Shoulder. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2008.
444. Advanced Wrist and Elbow Arthroscopy. Associate Master Instructor. Arthroscopy Association of North America. Masters Experience: Arthroscopic Surgical Skills Series - Wrist and Elbow Arthroscopy. Rosemont, Illinois. June 2008.
445. Patients Undergoing Lateral Unicondylar Knee Arthroplasty: Can We Guarantee Success and Return to Sport? Faculty. American College of Sports Medicine. 55th Annual Meeting. Indianapolis, Indiana. May 2008.
446. Posterior Shoulder Pain-Diagnosis to Arthroscopic Management. Faculty. American College of Sports Medicine. 55th Annual Meeting. Indianapolis, Indiana. May 2008.
447. Predictor's of Patient Satisfaction Following Unicondylar Knee Arthroplasty. Faculty. American College of Sports Medicine. 55th Annual Meeting. Indianapolis, Indiana. May 2008.
448. Specialty Day: Upper Extremity Nerve Entrapments in Athletics. Faculty. American Academy of Orthopaedic Surgeons. 75th Annual Meeting. San Francisco, California. March 2008.
449. Infections of the Hand. Instructional Course Lecturer. American Association for Hand Surgery. 38th Annual Scientific Meeting. Beverly Hills, California. January 2008.
450. TFCC Repair: Pearls and Pitfalls. Faculty. The 5th Annual Teton Hand and Upper Extremity Conference. Jackson Hole, Wyoming. January 2008.
451. Debate: Tennis Elbow – Arthroscopic. Faculty. American Academy of Orthopaedic Surgeons/American Society for Surgery of the Hand. Advanced Elbow and Wrist Reconstruction. Rosemont, Illinois. November 2007.
452. Hands on Surgical Skills Lab – Essential Arthroscopic Skills. Lab Instructor. American Academy of Orthopaedic Surgeons/American Society for Surgery of the Hand. Advanced Elbow and Wrist Reconstruction. Rosemont, Illinois. November 2007.
453. Hands on Surgical Skills Lab – TFCC Repair. Lab Instructor. American Academy of Orthopaedic Surgeons/American Society for Surgery of the Hand. Advanced Elbow and Wrist Reconstruction. Rosemont, Illinois. November 2007.
454. Point/Counterpoint: Open vs. Endoscopic Carpal Tunnel Release. Faculty. Arthroscopy Association of North America. 26th Annual Fall Course. Orlando, Florida. October/November 2007.
455. Retroscapular Bursocopy and the Management of Scapulothoracic Bursitis and Snapping Scapula. Faculty. Arthroscopy Association of North America. 26th Annual Fall Course. Orlando, Florida. October/November 2007.

456. Arthroscopic Management of Lateral Epicondylitis - Do Patients Return to Work Faster? Faculty-Precourse 3. American Society for Surgery of the Hand. 62nd Annual Meeting. Seattle, Washington. September 2007.
457. Biceps Tenodesis-Subpectoral. Shoulder Course Chairman. American Society for Surgery of the Hand. Shoulder Arthroscopy: Advancing your Skills. Rosemont, Illinois. August 2007.
458. New Techniques in Rotator Cuff Repairs. Shoulder Course Chairman. American Society for Surgery of the Hand. Shoulder Arthroscopy: Advancing your Skills. Rosemont, Illinois. August 2007.
459. Shoulder Arthroscopy: Portals, Set-Up, and Diagnostic Arthroscopy. Shoulder Course Chairman. American Society for Surgery of the Hand. Shoulder Arthroscopy: Advancing your Skills. Rosemont, Illinois. August 2007.
460. SLAP Repair Video and Demonstration. Shoulder Course Chairman. American Society for Surgery of the Hand. Shoulder Arthroscopy: Advancing your Skills. Rosemont, Illinois. August 2007.
461. Suprascapular Neuropathy. Shoulder Course Chairman. American Society for Surgery of the Hand. Shoulder Arthroscopy: Advancing your Skills. Rosemont, Illinois. August 2007.
462. Accuracy of MRI Assessment of Articular Cartilage Damage in Patients Undergoing Unicondylar Knee Arthroplasty. Speaker. Eastern Orthopaedic Association. 38th Annual Meeting. Victoria, British Columbia, Canada. August 2007.
463. Posterior Shoulder Pain: A Dynamic Study of the Spinoglenoid Ligament and Treatment with Arthroscopic Release of the Scapular Tunnel. Speaker. Eastern Orthopaedic Association. 38th Annual Meeting. Victoria, British Columbia, Canada. August 2007.
464. Posterior Shoulder Pain and Spinoglenoid Ligament Release. Faculty. 25th Annual San Diego Shoulder Course. San Diego, California. June 2007.
465. Carpal Instability. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2007.
466. Flexor & Extensor Tendon Injuries. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2007.
467. Sports Medicine: Elbow. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2007.
468. Sports Medicine: Shoulder. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2007.
469. 2007 Updates in Unicondylar Knee Replacements and Minimally Invasive Quad Sparing. Speaker. National Association of Orthopaedic Nurses. 27th Annual Congress. St. Louis, Missouri. May 2007.

470. Reverse Shoulder Arthroplasty Restores Movement in Irreparable. Speaker. National Association of Orthopaedic Nurses. 27th Annual Congress. St. Louis, Missouri. May 2007.
471. Rotator Cuff Tears. Speaker. National Association of Orthopaedic Nurses. 27th Annual Congress. St. Louis, Missouri. May 2007.
472. Infections of the Hand. Instructional Course Lecturer. American Association for Hand Surgery. 37th Annual Scientific Meeting. Rio Grande, Puerto Rico. January 2007.
473. Arthroscopic Suprascapular Nerve Release at the Spinoglenoid Notch: A Novel Approach. Faculty. Arthroscopy Association of North America. 25th Annual Fall Course. Palm Desert, California. November 2006.
474. Shoulder/Elbow/Wrist Lab. Lab Instructor. Arthroscopy Association of North America. 25th Annual Fall Course. Palm Desert, California. November 2006.
475. Upper Extremity and Sports Papers. Discussor. Eastern Orthopaedic Association. 37th Annual Meeting. Boca Raton, Florida. October 2006.
476. Surgical Evaluation & Treatment of the Elbow. Faculty and Lab Instructor. Current Issue of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. 15th Annual Meeting. San Francisco, California. August 2006.
477. Wrist and Elbow Dissection Lab. Faculty and Lab Instructor. Current Issue of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. 15th Annual Meeting. San Francisco, California. August 2006.
478. Extensor Tendons: Acute and Chronic Injuries. Faculty. American Society for Surgery of the Hand. Comprehensive Review in Hand Surgery. Chicago, Illinois. July 2006.
479. Tendonitis and Elbow Arthroscopy. Faculty. American Society for Surgery of the Hand. Comprehensive Review in Hand Surgery. Chicago, Illinois. July 2006.
480. Clavicle Fixation Utilization of the Hook Plate. Faculty and Moderator. AO Association for the Study of Internal Fixation. Upper Extremity Course. Newport, Rhode Island. July 2006.
481. Distal Humerus Case-Management Decisions Role of Total Elbow Arthroplasty. Faculty and Moderator. AO Association for the Study of Internal Fixation. Upper Extremity Course. Newport, Rhode Island. July 2006.
482. Distal Radius Cases-Management Decisions Complications – Malunion. Faculty and Moderator. AO Association for the Study of Internal Fixation. Upper Extremity Course. Newport, Rhode Island. July 2006.
483. Fracture Dislocations Cases-Management Decisions Complications-Arthrosis. Faculty and Moderator. AO Association for the Study of Internal Fixation. Upper Extremity Course. Newport, Rhode Island. July 2006.

484. Fracture Dislocations Cases-Management Decisions Radial Head Fractures. Faculty and Moderator. AO Association for the Study of Internal Fixation. Upper Extremity Course. Newport, Rhode Island. July 2006.
485. S-L Debridement/Pinning (Acute Partial Tears) Lab. Lab Instructor. American Society for Surgery of the Hand. Wrist and Elbow Arthroscopy: Techniques and Innovations. Orthopaedic Learning Center. Rosemont, Illinois. June 2006.
486. L-T Debridement/Pinning Lab. Lab Instructor. American Society for Surgery of the Hand. Wrist and Elbow Arthroscopy: Techniques and Innovations. Orthopaedic Learning Center. Rosemont, Illinois. June 2006.
487. Ulnar Abutment Syndrome. Faculty. American Society for Surgery of the Hand. Wrist and Elbow Arthroscopy: Techniques and Innovations. Orthopaedic Learning Center. Rosemont, Illinois. June 2006.
488. Ulnar Impaction Syndrome. Faculty. American Society for Surgery of the Hand. Wrist and Elbow Arthroscopy: Techniques and Innovations. Orthopaedic Learning Center. Rosemont, Illinois. June 2006.
489. Carpal Instability. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2006.
490. Flexor & Extensor Tendon Injuries. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2006.
491. Sports Medicine: Elbow. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2006.
492. Sports Medicine: Shoulder. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2006.
493. Elbow and Wrist Session. Moderator and Discussor. Arthroscopy Association of North America. 25th Annual Meeting. Hollywood, Florida. May 2006.
494. Alex Model-Anchor/Suture Management for SLAP and Instability; Capsular Plication and Interval Closure- Demo. Master Instructor. Arthroscopy Association of North America. Comprehensive Shoulder Arthroscopy Skills Course. Chicago, Illinois. February 2006.
495. Coding in Arthroscopic Shoulder Surgery. Master Instructor. Arthroscopy Association of North America. Comprehensive Shoulder Arthroscopy Skills Course. Chicago, Illinois. February 2006.
496. Snapping Shoulder and Subscapular Scope. Master Instructor. Arthroscopy Association of North America. Comprehensive Shoulder Arthroscopy Skills Course. Chicago, Illinois. February 2006.
497. Suprascapular Nerve Syndrome. Master Instructor. Arthroscopy Association of North America. Comprehensive Shoulder Arthroscopy Skills Course. Chicago, Illinois. February 2006.

498. Infections of the Hand. Instructional Course Lecturer and Co-Moderator. American Association for Surgery of the Hand. Annual Scientific Meeting. Tucson, Arizona. January 2006.
499. Fractures and Congenital Anomalies. Scientific Paper Session. Instructional Course Lecturer and Co-Moderator. American Association for Surgery of the Hand. Annual Scientific Meeting. Tucson, Arizona. January 2006.
500. Elbow/Wrist Lab. Lab Instructor. Arthroscopy Association of North America. 24th Annual Fall Course. Phoenix, Arizona. December 2005.
501. Point/counter point: Open versus Endoscopic Carpal Tunnel Release. Faculty. Arthroscopy Association of North America. 24th Annual Fall Course. Phoenix, Arizona. December 2005.
502. Upper Extremity Papers. Discusser. Eastern Orthopaedic Association. 36th Annual Meeting. October 2005.
503. Office-Based MRI. High Field Dedicated MRI: The New Standard. Speaker and Moderator. American Society for Surgery of the Hand. Joint Annual Meeting. San Antonio, Texas. September 2005.
504. Sports Medicine Injuries of the Wrist. Faculty. Current Issue of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. 14th Annual Meeting. San Francisco, California. August 2005.
505. Wrist and Elbow Panel Discussion. Faculty. Current Issue of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. 14th Annual Meeting. San Francisco, California. August 2005.
506. Wrist and Elbow Dissection Lab. Lab Instructor. Current Issue of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. 14th Annual Meeting. San Francisco, California. August 2005.
507. Nerve Entrapment Syndromes in the Upper Extremity. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2005.
508. Shoulder Trauma and Instability. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2005.
509. Tendon Transfers in the Upper Extremity. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2005.
510. Extensor Tendon: Acute and Chronic Injuries. Faculty. American Society for Surgery of the Hand. Comprehensive Review Course in Hand Surgery. Chicago, Illinois. July 2005.
511. Tendonitis and Elbow Arthroscopy. Faculty. American Society for Surgery of the Hand. Comprehensive Review Course in Hand Surgery. Chicago, Illinois. July 2005.

512. Advanced Arthroscopic Management of Common Elbow Disorders: OCD, Lateral Epicondylitis, Arthritis and Arthrofibrosis. Faculty. Arthroscopy Association of North America. 24th Annual Meeting. Vancouver, British Columbia, Canada. May 2005.
513. Operative versus Non-operative Treatment of Knee Dislocation: Long Term Functional Results, Associated Injuries and Fractures. Committee Member and Faculty. International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine. 5th Biennial Meeting. Hollywood, Florida. April 2005.
514. New Techniques in the Management of Knee Osteoarthritis. Faculty. American Academy of Orthopaedic Surgeons/American Orthopaedic Society for Sports Medicine. Sports Medicine Lectures. Steamboat Springs, Colorado. March 2005.
515. Impingement Syndrome. Master Instructor. Arthroscopy Association of North America. Comprehensive Shoulder Arthroscopy Skills Course. Chicago, Illinois. February 2005.
516. Suprascapular Nerve Entrapment and Posterior Shoulder Pain. Master Instructor. Arthroscopy Association of North America. Comprehensive Shoulder Arthroscopy Skills Course. Chicago, Illinois. February 2005.
517. Symptomatic Scapulothoracic Crepitus and Bursitis. Master Instructor. Arthroscopy Association of North America. Comprehensive Shoulder Arthroscopy Skills Course. Chicago, Illinois. February 2005.
518. Office-Based MRI - High Field Dedicated MRI: The New Standard. Moderator. American Association for Surgery of the Hand. Annual Scientific Meeting. Fajardo, Puerto, Rico. January 2005.
519. Knee, "Donnie". Faculty and Lab Instructor – Knee. Arthroscopy Association of North America. 23rd Annual Fall Course. Palm Desert, California. December 2004.
520. Wrist Arthroscopy: Radial Styloidectomy and Distal Ulna Excision. Faculty and Lab Instructor – Elbow. Arthroscopy Association of North America. 23rd Annual Fall Course. Palm Desert, California. December 2004.
521. AC Joint Instability/Reconstruction. Faculty. American Academy of Orthopaedic Surgeons. Review and Update for Practicing Orthopaedic Surgeons #3540. San Francisco, California. November 2004.
522. Elbow Epicondylitis and Instability. Faculty. American Academy of Orthopaedic Surgeons. Review and Update for Practicing Orthopaedic Surgeons #3540. San Francisco, California. November 2004.
523. Ligamentous Injuries of the Wrist. Faculty. American Academy of Orthopaedic Surgeons. Review and Update for Practicing Orthopaedic Surgeons #3540. San Francisco, California. November 2004.

524. Posterior Shoulder Pain and Surgery. Faculty. American Academy of Orthopaedic Surgeons. Review and Update for Practicing Orthopaedic Surgeons #3540. San Francisco, California. November 2004.
525. Upper Extremity Papers. Discussor. Eastern Orthopaedic Association. 35th Annual Meeting. San Juan, Puerto Rico. October 2004.
526. Office-based MRI: The New Standard? Instructional Course Lecturer. American Society for Surgery of the Hand. 59th Annual Meeting. New York, New York. September 2004.
527. Treatment of Scapholunate Ligament Instability: Throw away the scope. National Debater. American Society for Surgery of the Hand. 59th Annual Meeting. New York, New York. September 2004.
528. When Carpal Tunnel Surgery Goes Bad: Complications and Revisions. Instructional Course Lecturer. American Society for Surgery of the Hand. 59th Annual Meeting. New York, New York. September 2004.
529. Extensor Tendons: Management of Acute and Chronic Injuries. Faculty. American Society for Surgery of the Hand. Comprehensive Review Course 2004. Dallas, Texas. July 2004.
530. Tendonitis and Elbow Arthroscopy. Faculty. American Society for Surgery of the Hand. Comprehensive Review Course 2004. Dallas, Texas. July 2004.
531. Carpal Instability. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June/July 2004.
532. Flexor and Extensor Tendon Injuries. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June/July 2004.
533. Nerve Entrapment Syndromes in the Upper Extremity. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June/July 2004.
534. Tendon Transfers in the Upper Extremity. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June/July 2004.
535. Wrist Injuries in Athletes #208. Instructional Course Lecturer. American Orthopaedic Society for Sports Medicine. Annual Meeting. Quebec City, Canada. June 2004.
536. Arthroscopic Rotator Cuff Repair Update 2004. Guest Lecturer. National Association of Orthopaedic Nurses. 24th Annual Congress. Nashville, Tennessee. May 2004.
537. Arthroscopic Shoulder Techniques for Instability. Guest Lecturer. National Association of Orthopaedic Nurses. 24th Annual Congress. Nashville, Tennessee. May 2004.
538. Cartilage Repair Update 2004. Guest Lecturer. National Association of Orthopaedic Nurses. 24th Annual Congress. Nashville, Tennessee. May 2004.

539. Minimally Invasive Knee Surgery. Guest Lecturer. National Association of Orthopaedic Nurses. 24th Annual Congress. Nashville, Tennessee. May 2004.
540. Fractures in Athletes. Faculty and Lab Instructor. AO Association for the Study of Internal Fixation. Hand and Wrist Fracture Course. Coronado, California. April 2004.
541. Medial/Lateral Epicondylitis: Point/Counterpoint. American Society for Surgery of the Hand. Specialty Day. San Francisco, California. March 2004.
542. Elbow Epicondylitis and Instability. Faculty. American Association of Orthopaedic Surgeons. Chicago, Illinois. December 2003.
543. Ligamentous Injuries of the Wrist. Faculty. American Association of Orthopaedic Surgeons. Review and Update for Practicing Orthopaedic Surgeons. Chicago, Illinois. December 2003.
544. Posterior Shoulder Disorders. Faculty. American Association of Orthopaedic Surgeons. Review and Update for Practicing Orthopaedic Surgeons. Chicago, Illinois. December 2003.
545. Elbow Arthroscopy: Osteochondritis and Removal of Loose Bodies. Faculty and Lab Instructor – Elbow. Arthroscopy Association of North America. 22nd Annual Fall Course. New Orleans, Louisiana. November 2003.
546. Acromioclavicular Ligament Instability. Faculty. American Association of Orthopaedic Surgeons. The Shoulder II: Open and Arthroscopic Techniques. Rosemont, Illinois. September 2003.
547. Adhesive Capsulitis: An Arthroscopic Approach. Faculty. American Association of Orthopaedic Surgeons. The Shoulder II: Open and Arthroscopic Techniques. Rosemont, Illinois. September 2003.
548. Carpal Instability. Faculty and Part II Examiner. Maine Orthopaedic Review Course. Colby College, Waterville, Maine. June 2003.

PHILANTHROPIC ENDEAVORS – MEDICAL SOCIETIES

American Orthopaedic Society for Sports Medicine
Million Dollar Drive, Hall of Famer, 2021

American Shoulder and Elbow Society
Founder's Circle, 2015
Neer's Circle, 2018

Arthroscopy Association of North America
Robert W. Jackson Society, 2011-Present

American Academy of Orthopaedic Surgeons
Educational Enhancement Fund, Founding Member, 2012
Building Orthopaedics: The Foundation of Our Future, Capital Campaign, 2015

American Foundation for Surgery of the Hand

Eastern Orthopaedic Educational Foundation, Living Legacy, 2013

International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine
Global Connection Campaign Godfather Initiative, 2013

Orthopaedic Research and Education Foundation

Alfred R. Shands, Jr. Circle, Copper Level
The Order of Merit, Magnum Cum Laude, 1996-2003
The Order of Merit, Platinum, 2004-Present

PERSONAL

Year of Birth: 1958

Married with 3 children:

Brian Kyle Plancher

Jamie Erin (Plancher) Babin

Megan Elizabeth Plancher

Grandchildren:

Teresa McKinsey Plancher

Special Interests

Tennis

Skiing

Swimming

Music (proficient in guitar, piano, and trumpet)

Languages

French

German - Conversational
